

Ruling won't alter Barton prosecution—Weber

By NANCY WEIL
of the Press-Record

A judge's ruling that comments made by Madison County Supervisor of Assessments James Barton cannot be used as evidence in a trial will not impair the prosecution's case, according to State's Attorney Don Weber.

"My attitude (about the case) has not changed. I don't believe the ruling substantially impairs our ability to prosecute," Weber told the Press-Record yesterday.

Third Circuit Chief Associate Judge Edward C. Ferguson issued the ruling Tuesday on the pre-trial motion heard March 22 to dismiss evidence made by

Barton in the presence of an assistant state's attorney and an Illinois State Police Division of Criminal Investigation agent.

Judge Ferguson ruled that Barton's constitutional rights had been violated by the prosecution because he was led to believe that Assistant State's Attorney Thomas Long was present at the interview to provide him with legal counsel.

During the hearing, Weber admitted the state may have been "sneaky" in its tactics, but he said Wednesday that he offers no apologies for either himself or Long.

"Sneakiness has no place in the legal profession and in the protection or

waiver of fundamental constitutional rights," Judge Ferguson wrote.

"Trickery, false impressions and illusions have no place in the conduct of legal affairs by attorneys, be they prosecutors or defense counsel," the order states.

Defense Attorney J. William Lucco of Edwardsville argued at the hearing that Barton was "duped" into making statements.

Weber maintains that his office "did not violate anyone's constitutional rights. But I can live with the ruling. We will abide by the judge's opinion," he said.

Judge Ferguson's ruling allows the statements by Barton to be used if he

testifies in his own defense, only as a rebuttal to his testimony. Weber indicated his office might pursue that use of the evidence.

The ruling agreed with Lucco's contention that, because Long had provided counsel to Barton in the past and the two had developed a working relationship, that "the traditional imposition of trust and confidence by Mr. Barton in (Assistant) State's Attorney Long was clearly present."

Because Long advised Barton to "tell the truth" during the interview, the supervisor waived his right to remain silent.

Although Weber contended that Barton had been told Long was acting on

behalf of the state's attorney's office, Ferguson ruled that the supervisor could have been given the impression that, because county officials were involved, it was decided that legal counsel should be present before statements were made to investigators.

Barton has been indicted on charges of bribery, conspiracy to commit bribery and official misconduct. He is accused of accepting \$1,000 from Horseshoe Lake area landowner William Nichols with the intent of giving Walter "Shang" Greathouse, a member of the zoning board of appeals, \$500 so he would vote in favor of a permit for land Nichols owned.

Nichols has been granted immunity from prosecution for his cooperation.

Greathouse, who also is president of the Metro-East Sanitary District, voted against the Nichols request and has said he refused to keep the money. He has told the Press-Record repeatedly that he did nothing wrong. Greathouse's role in the alleged bribery scheme is being investigated.

Barton has refused to resign from his position and also has denied any wrongdoing. A county board motion to oust the supervisor did not receive the necessary two-thirds vote last month.

Nameoki probe to continue April 7

An investigation into Nameoki Township expenditures and operations has caused "some anxious moments for everyone," according to Highway Commissioner Frank Mehelic, one of those believed to be under investigation. The grand jury probe will be continued April 7, the next time the Madison County grand jury is scheduled to convene, the Press-Record has learned.

Grand jury proceedings for March 31 were cancelled due to the Easter holiday.

The inquiry appears to be expanding and a source close to the investigation said that all employees of the township highway department have been called to testify. Equipment purchases by that department are a prime consideration of the inquiry.

The probe also has begun to consider "some sewers" placed in the township. It was indicated last week that the investigation would eventually expand to

matters concerning installation of sanitary sewers in the township, but the Press-Record has learned that aspect of the probe already has started.

The overall investigation of township procedures and expenditures involves series of small transactions "involving funds and materials," sources close to the investigation maintain. Since last week, however, the investigation has not turned up more than the \$10,000 already known to be involved in the probe, a source said.

Items purchased that were not accurately reflected on invoices is one of the major concerns of the inquiry, sources indicate.

The investigation also concerns the possible "pilfering of gasoline" by Mehelic, who has not been called to testify. Mehelic denies any wrongdoing. The probe also is considering possible misuse of about \$1,000 of federal Community Development funds, sources said.

Weber commends police

Madison County State's Attorney Don Weber has sent a letter of clarification to the Madison Police Department concerning statements he made that appeared in the March 10 Press-Record in

a front page story headlined, "Bridick, Weber unleash criticisms."

Four representatives from the police department met with Weber on March 23 to discuss the article and request a clarification. The following day, Weber

Good Friday noon service

Good Friday noon services, sponsored by the Quad-Cities Ministerial Association, will be conducted at Niedringhaus United Methodist Church, 20th Street and Delmar Avenue.

Several local churches will participate in the service, which will include a welcome, special music and congregational singing, a call to worship, prayer for the community, and a sermon.

The service is an annual 'lunch-time event that provides all those who work downtown, as well as those who do not have noon services at their own churches, an opportunity to worship and reflect on the true meaning of Easter.

The annual Sunrise Service at Wilson Park Ice Rink will begin at 6 a.m. Easter Sunday, under the auspices of the Lutheran Bureau of Tri-Cities, and is open to the public.

Cuts not related to probe

Cuts totaling thousands of dollars made to Nameoki Township Highway Commissioner Frank Mehelic's budgets Tuesday night, including a decrease in gasoline allotments and travel expenses, have nothing to do with a grand jury investigation involving his office, township officials say.

The cuts were proposed and accepted at a budget hearing Wednesday night following the regular town meeting. Finance Committee Chairman W. Lee Adams suggested the changes, which were generally unopposed by the village trustees.

Mehelic has been asked to provide an account of his gasoline expenditures to the trustees, but has failed to do so. Adams noted Thursday when questioned about the budget cuts.

Gasoline allotments were requested in three areas of the commissioner's budget and all three were reduced by the trustees. Under commodities in the general road fund, two gasoline and oil requests were decreased, one from \$5,000 to \$3,000 and the other from \$4,000 to \$2,000.

The cut reduced total monies for the road division from \$76,100 to \$72,100. The third gasoline and oil request was listed under commodities in the permanent road fund for \$8,500 and was reduced to \$7,500.

Travel expenses were reduced from \$2,200 to \$1,200. Money allotted under legal services for retainment of an attorney was scrutinized at the meeting.

Mehelic had retained an attorney on a monthly basis for a total yearly cost of \$4,500. The trustees provided that the attorney be paid \$350 for March, but ap-

SKETCHES TELL THE STORY. Rick Ahlvers, a lifetime Granite City resident and member of the First Assembly of God Church, 24th Street and Madison Avenue, holds one of four sketches he has done which depict scenes of the Easter story. A series of sermons by the Rev. Dale Edwards, pastor of the church, during

the past few Sundays inspired the artwork. Ahlvers holds a sketch of his impression of Judas, who betrayed Christ. Behind him are two sketches depicting scenes prior to Christ's entry into Jerusalem, which flank a portrait of Christ. Ahlvers has presented the sketches to the congregation. The Madison County Economic Opportunity Commission was allocated \$537,150 for Illinois Home Energy Assistance Program (IHEAP) payments and \$89,422 for emergency services payments for residents of Madison County in Fiscal Year 1983.

As of March 23, the office had taken 6,880 IHEAP applications. Out of this number, 2,990 have been processed and paid, for a total of \$537,150, which depletes the

funds. There are 1,250 IHEAP applications awaiting payment in the amount of \$280,000, which will consume the promised second block of money when received, a spokesman said. There will be approximately

2,640 applications left over, which cannot be processed, plus any others who might apply after this date. "Our emergency services funds of \$89,422 served 330 clients and are depleted," the spokesman noted.

"We have been advised by the Department of Commerce and Community Affairs that the probability of receiving more funds is very slim. The above amounts represent a decrease in the IHEAP funds of \$465,087 from 1982 IHEAP and \$110,578 in emergency services funds.

"Under state guidelines, we are required to continue accepting applications even though the probability of payments to eligible clients is questionable," said Opal Davis of the EOC.

April 12 race is no contest for five

In four of Granite City's seven aldermanic wards, incumbents face no opposition in their bids for re-election, while the once hotly-contested superintendent of streets race will only be a formality for the man who once fought unsuccessfully for that position.

Superintendent of Streets Mac G. Warfield, 51, of 22 Devon Hill, had been defeated for that office in 1975 by his predecessor, Lionel Portell. Warfield subsequently won a seat on the city council before stepping down last year to be appointed head of the Street Department when Portell resigned.

Warfield was sworn in as superintendent only weeks before a record snowfall hit the area in February, 1982. He has served as Democratic precinct committeeman in Precinct 37 and was elected alderman of the Sixth Ward in 1979. Prior to his appointment as street superintendent, he was an employee of the Granite City Steel Division of National Steel in the Cold Strip Department.

He is a native of Granite City and attended Granite City Senior High School, before serving in the U.S. Navy for four years during the Korean Conflict.

Warfield is a member of St. John's Lutheran Church. As superintendent, Warfield is embroiled in the city's fight to keep abreast of sewer line breaks and potholes. His current campaign is his pledge to "efficiently and economically repair" those breaks.

The candidate said that new laws will assist him in improving the cleanliness of the streets and alleys. He also intends to continue programs to replace curbs, gutters, sidewalks and upgrade streets. Warfield has been instrumental in upgrading the accessibility of sidewalks for the disabled.

"I am training to continue improving service to the residents," Warfield stated. "I intend to make the Street Department a service organization the citizens of Granite City can point to with pride."

First Ward Alderman Everett "Cherry Picker" Morlen, 2666 E. 24th St., has been representing his ward on the Granite City Council

EVERETT MORLEN

since 1969 and seems certain to continue, since he has no opposition in April 12.

He has been Democratic Precinct 12 committeeman since 1962.

Morlen is chairman of the aldermanic police and traffic committees and is a member of the city buildings committee. In the past, he was served on the wastewater treatment plant, fire and water planning and zoning committees.

He is a member of the Madison County Police Association. He retains lifetime memberships and has served as vice president and treasurer for both the United Steelworkers of America, Local 16, and the Tri-City Trades and Labor Council. He also has held memberships in Steelworker Local 11 and 51.

Morlen retired in 1972 as a crane operator for Granite City Steel. During his employment there, he served as shop steward, safety committee member and on the negotiations committee.

As a senior citizen, he is a member of the Kirkpatrick Homes Golden Circle Club and the Anchorage Senior Club. Morlen said he is proud of his work with Mayor Paul Schuler and Granite City Township Chairman Nelson Hansen in their joint sponsorship of the construction of a protective fence around Anchorage Homes.

Another project the alderman cited is his insistence on the present site of the Johnson Road fire station. The incumbent is seeking re-election "to try to do something for the people."

According to Morlen, he has made a point of making no promises during this or past campaigns, because one alderman alone cannot guarantee passage of a favorite project or law.

"You've got to work hard with other people and work hard to get done what I can," Morlen was born in Carter County, Mo., near the city of Ellisville. He attended Whitesmith School in Carter County.

He and his wife, Stella, have one son, Charles, four grandchildren and three great-grandchildren.

SAM WHITMER

Whitmer currently serves as chairman of the city's ambulance committee and is a member of the police and city hall committees.

Whitmer, a 55-year resident and native of Little Rock, Ark., was first elected alderman in 1955. He said that the last few years in office have been his most difficult, due to the financial problems that have pressed the city.

In his statement for seeking re-election, he expressed his desire, "to make Granite City an even better place to live. As I am retired, I have more time for city business...to do the best job I can."

Whitmer retired as an electrician from Granite City Steel in 1961.

He attended Granite City High School. He is a member of the Niedringhaus United Methodist Church and Masonic Lodge 877.

He and his wife, Dorothy, have a son, Jerry, and a daughter, Judy.

Another unchallenged candidate, Third Ward Alderman Paul L. Fisk, 49, of 2523 E. 25th St., hopes the lack of opposition indicates his constituents are pleased with his past performance. "I believe my biggest asset has been, and will continue to be, my willingness to avail myself to all the people of the ward at any time."

His own decision to seek re-election, he said, comes from "an honest belief that I have something to offer the people of Granite City."

Fisk won his first term on the council in 1979. As alderman, he has served in the past as chairman of the ordinance, rehabilitation and negotiating committees, and member of the planning and zoning and police committees.

He currently is chairman of the wastewater treatment plant committee, since his appointment by Mayor Paul Schuler last year. He serves as a member of the negotiating, rehabilitation and downtown committees.

Fisk assisted in the organization of the East Granite Home Improvement Association. Schuler appointed Fisk to the Granite City Home Rehabilitation Board, and the alderman continues to be an active board member.

Fisk served five years as Democratic committeeman for Precinct 13 and held the office of treasurer of the Democratic Granite City Township Precinct Committee Organization for four years. He is a member of the Granite City Democratic Club and served as its president for two years.

Fisk has been a resident of the area for 23 years and was

PAUL FISK

born in Venice. He attended Madison, Carlinville and Granite City schools, Laney Trade School, Oakland, Calif., and Rankin Technical School, St. Louis. He served in the U.S. Coast Guard for four years.

Fisk has been employed as a meat cutter by Schermer's Market, Madison, for 21 years.

He is a member of the City Temple Assembly of God. He and his wife, the former Dorothy J. Butler, have been married 21 years.

Warfield is incumbent Alderman Michael E. Modrusic, 41, of 2036 Pontoon Road. He is seeking his second term in office.

He cites his experience during his first four years as qualifying him for another term.

Modrusic is chairman of the planning and zoning committee and past chairman of the street and alley committee. He is currently a member of the street and alley and fire and water committees.

He is campaigning on a promise to continue his efforts to prevent "spot zoning" in his ward, which has been the location of recent unsuccessful attempts at commercial rezoning. He also said he will work to insure Seventh Ward residents get a "fair share of services and representation."

In addition to zoning concerns, Modrusic considers important issues this year working to improve street and drainage and sidewalks, and "to see that our city runs efficiently and economically as possible and to help our city progress, so we can better face the problems of the future."

Modrusic also said that every means possible should be taken to improve the business climate of the city.

The alderman is a lifelong resident of the Quad-City area and attended local grade and high schools. He received a bachelor's degree in business administration from Southern Illinois University at Edwardsville.

Modrusic holds the position of damage prevention coordinator at Associated Transports, Inc., Hazelwood, Mo.

He is a member of St. Elizabeth's Catholic Church and the Knights of Columbus, where he served as grand knight and chairman of the group's campaign to raise funds for the mentally retarded.

He served two years in the U.S. Army, with a one-year tour of duty in Vietnam. His wife, Gertrude, is vice president and branch manager of Germania Federal Savings and Loan. They have a three-year-old son, Michael Scott.

VETERAN CANDIDATES RUN AGAIN IN SIXTH WARD RACE

The April 12 race for Granite City Sixth Ward alderman will pit three candidates who all have previously lost an earlier bid for that office. Incumbent Walter C. Milton is being challenged by Woodrow "Woody" Moad, and Ross Halbrook.

Both Milton and Moad ran for the aldermanic post in 1981 and were defeated by Alderman Stephen Saltsch. Halbrook, unsuccessfully sought that office in 1979.

Milton, 49, of 3214 Wabash Ave., was appointed Sixth Ward alderman in January, 1982, after former Alderman Mac Warfield left to assume the post as city superintendent of streets. Milton resigned from his 1981 appointment as Granite City Park District commissioner to join the council.

As chairman of the city's finance committee, Milton is currently involved in preparing the city's 1983-84 budget. Milton also supervised the drafting of the current city budget. He is campaigning on the premise to hold a "tight financial rein on finances" and to work towards a balanced budget.

Milton was successful in his fight to keep last year's levy rate relatively unchanged from the previous year, although the move meant freezing city wages and cutting pension contributions.

"With my business background, (I) have advocated the business approach to running and operating the city," Milton stated. He has taken a "tough, if not unfriendly, position in keeping the property tax rate as low as possible."

The candidate cited his efforts to take a leadership role within the council and to provide an "advanced communication" agenda procedure for the alderman to follow.

Milton also serves as chairman of the city's safety committee and is a member of the aldermanic negotiating, city hall and fire and water committees.

Milton is vice president of the Southern Marketing Division of Pepsi-Cola Bottling Co. in Alton. He is a past employee of Granite City Steel Division of National Steel.

He is member of the Advisory Committee to the Governor for Illinois Recreation Council, a Precinct 32 committeeman and a member of the Tri-City Area Chamber Commerce. He is past president of the Granite City Rotary Club and past director of the Granite City Jaycees.

He served for four years on the Citizens' Advisory Committee for the Granite City School District and is a former member of the Granite City Housing Authority Board.

Milton was born in Stewart County, Tenn., and has been a resident of the area for 20 years. He attended high school in Tennessee. He is a graduate of the Southern Illinois University at Edwardsville's Industrial Management Program and received a bachelor's degree in marketing from Pepsi-Cola Management Institute.

He is a member of First Baptist Church of Granite City, 21st Street and Delmar Avenue.

He and his wife, Peggy, are the parents of two sons and three daughters.

Sixth Ward candidate Moad, 41, of 3012 Forest Ave., has received the endorsement of the Tri-City Central Trades and Labor Council.

He served as a 1980 delegate to the Democratic National Convention. He is a past president of the Granite City Democratic Club. For the past five years, he has served as Precinct 36 com-

mitteeman. Despite his Democratic affiliations, Moad is stressing his independent candidacy in this bipartisan election. "I'm independent. I'm elected. I will owe only the people," Moad stated.

If elected, Moad stated, he will actively work to bring industry to the city. "I would like to help make our city better," The candidate said he plans to call ward meetings towards that goal.

"The key to operating our city is foresight," Moad stated. "The door it will open will bring dividends in the future."

Moad is a lifelong area resident born in Madison. He is employed as a freight rate assessor in the Transportation Department of the Defense Mapping Agency, St. Louis, and a past employee of the St. Louis Area Support Center (Granite City Army Depot).

The candidate graduated from Venice High School in 1960 and attended Southern Illinois University at Edwardsville and the University of Maryland.

He is a member of American Legion Post 307 and Moose Lodge 272. He is a U.S. Air Force veteran.

Moad is married to the former Louise Hrasny. They are the parents of a son and daughter.

Independent Sixth Ward candidate Halbrook, 53, of 3272 Edgewood Ave., points to the city's population drop of several thousand in recent years to show "that changes must and will be made."

The candidate said he wants to find a way to reduce unemployment by bringing industry and business back to Granite City.

Halbrook, a lifelong resident, stated he wants to represent all of the people of the Sixth Ward on all of the issues facing the city. "This includes overspending of the budget."

Halbrook ran as a Sixth

Ward candidate in 1979 and for Nameoki Township tax collector in 1973.

He is employed as a product metallurgist in the Metallurgy and Quality Department of Granite City Steel, where he has worked 34 years.

He is a Granite City Senior High School graduate and attended Southern Illinois University at Edwardsville for three years.

Milton is a past president of the Parkway School Parent Teacher Association and was a Boy Scout assistant scoutmaster. He is a member of Suburban Baptist Church.

He and his wife, Judy, are the parents of two sons and a daughter.

ALLEGES BATTERY
Patsy Lindsey, 2243 Delmar Ave., alleged late last week that she and her daughter's boyfriend, Gregory R. Tingley, 22, of 2031 State St., became involved in an argument, which resulted in her being pushed and struck on the face with a fist. Tingley was arrested and charged with battery. He was released on notice to appear in court.

Poplar Bridge work to begin

Resurfacing work is scheduled to begin on the Poplar Street Bridge on Monday, according to the Missouri Highway and Transportation Commission.

The commission cautions motorists they may wish to avoid the bridge during the construction period, since traffic will be reduced from four to two lanes in each direction during the entire construction period.

The project is expected to be completed by September. Alternate routes could include the Eads or Martin Luther King bridges, Frank Kriz, district engineer, stated.

The project was developed with particular emphasis on traffic handling, according to the engineer.

In addition to resurfacing, safety walls will be installed around medians and at certain potentially hazardous areas.

Adams said that money is available in contingency funds for an attorney.

A request for \$16,000 for the lease or purchase of equipment was decreased to \$12,500, Adams said that Mehelic's budget for some time and added that the only control they have over the highway department is through controlling its expenditures.

"We can live with some of those things (budget cuts)," Mehelic said.

If the area receives a lot of snow next winter, however, he said that there will be problems removing snow from roads. "Maybe we have a board that thinks those things (equipment used for snow removal) run on air," he said.

"Right now they (the trustees) have a thumb on my pulse," he said. He added, "three of the trustees are definitely not on my side."

Venice Lions seek members

An organizational meeting to establish a Venice Lions Club branch will begin at 7:30 tonight at the Venice Recreation Center, 323 Broadway.

According to Earl Hogan, 10 more members are needed before the group can be established. Those 18 and older are being invited to attend.

proved only \$1 extra to keep the allotment open.

It was determined that one attorney is legally allowed to provide counsel for a township and the township already has retained Attorney Irvin C. Slate Jr.

Township Supervisor Harry Briggs and Trustee Joseph Garcia opposed a measure to completely delete the attorney's fee from the budget. Adams contended, "if he (Mehelic) needs an attorney, he can hire an attorney if something comes up." Briggs argued that it would be unfair to Slate to say that he could provide legal counsel to the commissioner, if necessary.

Adams said that money is available in contingency funds for an attorney. Gas tax rises 5 cents Friday

For the first time since 1959, the federal tax on a gallon of motor fuel will increase — from 4-cents to 9-cents this Friday — in Illinois and across the United States. The federal action is in response to the deterioration in the nation's road, transit and mass transit systems.

Here in Illinois, the increase means a large, although possibly temporary, surge in highway and transit funding. Tim Hennessey, president of the Illinois Transportation Improvement Council, a not-for-profit organization of highway users, explains, "For every new nickel of federal motor fuel tax contributed by Illinois motorists, approximately one dime will be returned to this state in additional highway and transit aid. Although Illinois motorists will be contributing an additional 5-cents per gallon — or an average of approximately \$225 million per year over the next four years to the Federal Highway Trust Fund — they will be getting back about 10-cents, or \$437 million each year in highway and transit aid."

Mayors to meet on rising utility rates

Rising utility rates and their impact on municipal governments will be the topic of discussion when some 100 Southern Illinois mayors convene Saturday, at Southern Illinois University-Carbondale.

"The Utility Rate Crisis: What Can Municipalities Do?" is the topic of discussion for a workshop cosponsored by the Southern Illinois Mayors Association (SIMA) and SIUC's Master of Public Affairs Program. The program will get under way at 9:30 a.m. with registration in the SIUC Student Center. A panel discussion on "Perspectives in the Matter of Establishing Utility Rates" is scheduled for 10:10 a.m.

Panel moderator will be Robert Pauls, energy coordinator for the city of Carbondale. Panelists include

Charles Stalch, member of the Illinois Commerce Commission; Carl Wall, vice president for corporate planning of Central Illinois Public Service Co.; Larry Haab, vice president and treasurer of Illinois Power Co.; Tim Reeves, executive vice-president and general manager of Southern Illinois Electric Cooperative; and Steve Banker, executive director of Southern Counties Action Movement.

A noon luncheon discussion is scheduled in the Student Center's Old Main Room.

It will be followed at 1:15 p.m. by a series of presentations by speakers including: —Laura Arnold, administrative assistant to the director of operations for City Utilities in Fort Wayne, Ind., "A State Legislature's Perspective on the Energy

Dilemma and Its Approach to the 'Avoided Cost' Issue"; —Charles Wheatley, partner in the law firm of Wheatley and Wollesen, Washington, D.C., "Legal Alternatives for Units of Local Government"; —Glenn Tadlock, utility superintendent, City of Rantoul, "What the Illinois Municipal Utility Association Is and What It Is Attempting to Do";

—Chris Robertson, energy policy consultant, Carbondale, "Energy Planning for Communities: Conservation, Management and Production"; —David Morris, director of the Institute for Local Self-Reliance, Washington, D.C., "Creating an Asset Out of a Liability, or Achieving Energy Security Out of Instability."

Carbondale Mayor Hans J. Fischer will moderate the panel presentations.

The SIMA board of directors will meet at 3:30 p.m. That session will be followed by a meeting of SIMA members and a social hour at the W. Clement and Jessie V. Stone House.

Burglars steal household items

Two men may have been responsible for ransacking and burglarizing a house at 501 Jefferson Ave., Venice, where Venice police went to investigate a report late last week. The dwelling is owned by Robert Dubnick of Granite City.

Entry into the house was gained by breaking a rear door window and unscrewing a dead bolt lock. Most of the furniture inside had been smashed and the carpet was torn from the living room floor and removed, officers said. An attempt had been made to take a garbage disposal unit.

Among the items reported missing were a round table, night stand, mirror, a white lamp, tea kettle and carpeting.

Police learned that two men were seen walking along an alley in the vicinity of the dwelling, carrying a lamp, mirror and other items in black trash bags.

One man was described as 6 feet tall and was wearing a full-length maroon or burgundy leather coat and a black hat. The second man, about 6 feet, 2 inches tall, also wore a long dark coat. Police are continuing to investigate.

WARRANT ARREST

Kenneth D. Harris, 25, of 1632 Second St., Madison was arrested at the 19th Hole Tavern, 2401 Washington Ave., during the weekend on Granite City warrant alleging probation revocation.

LEADING TRAIN DANCE at the benefit dance for Amy Lynn Hardin at the Croatian Home are Frank and Bessie Andracu. GC bus service considered today

The Madison County Transit Board was expected to consider a policy statement to improve bus service in Granite City this morning. The action was to be taken at a 9 a.m. meeting in Edwardsville.

Mayor Paul Schuler, a member of the county's transit board, said the procedure is a review of services presently in the city. Once data is collected, the transit board will make a recommendation considering cost effectiveness and other factors.

The policy reportedly will consider major upgrading of bus service here, including revised routes, streets and feeder services. Schuler said that the city, "in fact, has some pretty good bus service right now."

He said the upgrading is "important for the city," but added that it is "something we (the transit board) have been talking about."

Bethel AME Day in Venice

Mayor Tyrone Echols has declared Sunday, April 10, as Bethel African Methodist Episcopal Church Day in Venice.

The special day commemorates the 80th anniversary of Bethel AME Church, 1055 Market St., where special services will take place at 3:30 p.m. April 10.

Members of the Venice City Council, civic leaders and the general public are being invited to attend the celebration at which church dignitaries will speak. "I personally take this time to declare Sunday, April 10, as Bethel AME Church Day," Mayor Echols stated last week to the city council.

GROUND SCHOOL FOR PILOTS IS OFFERED

The Office of Continuing Education at Southern Illinois University at Edwardsville is offering a ground school course which is designed to cover knowledge required to become a private pilot.

The course will meet Wednesdays from 6:30 until 8:30 p.m. in Room 2411 of the Peck Classroom Building. The class will begin Wednesday, April 6, and run through Wednesday, June 8.

Students in the course will learn about aerodynamics, flight maneuvers, federal aviation regulations and the involvement of weather in flying.

The course can be used in preparation for the Federal Aviation Private Pilot written test.

Fee for the class is \$50. An additional \$25 will be required for the text and supplies. Interested persons may register through the mail or at the first session.

The course will be taught by Greg Babcock, a Federal Aviation Administration-certified pilot.

For more information, interested persons may call the SIUE Office of Continuing Education, 1-692-3210.

OFFER CLASS IN WORD PROCESSING

A class in word processing is being offered through the Office of Continuing Education at Southern Illinois University at Edwardsville.

The class will meet each Tuesday, April 5 through May 24, from 6 until 9 p.m. in Room 2207 in Classroom Building II.

Students in the course will learn about the origin of word processing, as well as input, output and applications of word processing. Career opportunities for word processing specialists will be emphasized and discussed at the conclusion of the class. Students will also get limited hands-on experience with word processing equipment.

Fee for the class is \$45. The cost of the text is not included in the fee and is approximately \$5.

Persons interested in the course may register through the mail or at the first session.

For more information, interested persons may contact the Office of Continuing Education at SIUE, 1-692-3210.

LIBRARY CLOSED

The University Center and Lovejoy Library at Southern Illinois University at Edwardsville, which normally have Sunday opening hours, will be closed Easter Sunday.

Visitation will begin at 2 p.m. Friday at Pieper Funeral Home, 1929 Cleveland Blvd., where funeral services will be conducted at 10 a.m. Saturday, April 2. Burial will be in Calvary Cemetery, Edwardsville Township. The family requests memorial to the American Cancer Society.

Flora Haynes

Mrs. Flora (Stinson) Haynes, 62, of Staunton, formerly of Madison, died at 8:15 a.m. Wednesday, March 30, 1983, at Staunton Memorial Hospital. She had been in good health, but apparently suffered a minor heart attack and was admitted to the hospital on Friday.

Born in Big Lake, Ark., Mrs. Haynes lived in the Madison for many years before moving to Staunton eight years ago.

She worked at Ruffy Tar and Chemical Co. and at a shoe factory in Wentzville, Mo., many years ago.

Mrs. Haynes and her husband, Samuel J. Haynes, who died in 1967, were married in 1920.

Survivors include three sons, John C. Haynes of Glen Carbon, Lloyd J. Haynes, Staunton, Samuel J. Haynes Jr., Barrington, N.H.; one daughter, Mrs. Ruby Kossman of New Haven, Mo.; five sisters, Mrs. Lolla Crews, Granite City, Mrs. Sarah Jackson, Livingston, S.C., Mrs. Marie Whitman and Mrs. Mattie McCurt, both of DeSoto, Mo., and Mrs. Annie Mobert of Dexter, Mo.; one brother, Robert Stinson of St. Louis; 11 grandchildren and nine great-grandchildren.

Visitation will be from 4 to 9 p.m. today at Williamson Funeral Home in Staunton, where funeral services will be conducted at 10 a.m. Friday, April 1. Burial will be in National Cemetery, Jefferson Barracks, Mo.

Mrs. Mary Jean (Hatcher) Orr, 55, of 2430 Lynch Ave., ill for six months and a hospice patient, was pronounced dead at home by Ed Besserman, Madison County deputy coroner, at 3:52 p.m. Monday, March 28, 1983.

Born in East St. Louis, Mrs. Orr resided in St. Louis before moving to this area 26 years ago. She was employed for two years in the offices of the Tri-Cities Area Chamber of Commerce before retiring in April, 1982.

Mrs. Orr was a member of the First Church of Christ, Scientists, Granite City, and also held membership in the Mother Church in Boston, Mass. She was a member of Cloverleaf Garden Club and was formerly a precinct committeewoman.

Survivors include her husband, Fred A. Orr; one daughter, Miss Paula Jean Orr.

Anna Langdon

Mrs. Anna Mae Langdon, 63, of 210 E. Market St., Troy, Ill., a former Granite City elementary school teacher, died at 9:50 a.m. Tuesday, March 29, 1983, at Oliver C. Anderson Hospital in Maryville.

Mrs. Langdon taught in the local school system 19 years prior to her retirement. She was born in Troy and was a lifelong resident there.

She was a member of St. Jerome's Catholic Church in Troy.

She and her husband, George Langdon, who survives, were married June 6, 1942. Other survivors include three sons, Curtis and John Langdon, both of Troy, and Bruce Langdon of Winston-Salem, N.C., and her mother, Mrs. Mary Gebauer of Troy.

Visitation was at Laughlin Funeral Home, 205 Edwardsville Road, Troy, at 10 a.m. Tuesday. A funeral Mass was read today, March 31, at St. Jerome's Catholic Church with burial in St. Jerome's Cemetery, Troy.

Michael Nunn

Michael R. Nunn, 24, of 601 Wyss, Alton, was found dead in his car Tuesday morning, March 29, 1983, apparently of carbon monoxide poisoning, inside the garage at his home. He was pronounced dead at the scene at 11:20 a.m. by Jeff Smith, Madison County deputy coroner.

The deputy coroner estimated that Mr. Nunn had been dead about two days. His body was discovered by his wife, Wilma Nunn. Mr. Nunn was last seen Friday. There were no signs of foul play and it is not known whether death was an accident or a suicide, Smith said.

Born in St. Louis, Mr. Nunn was a lifelong resident of Alton. He had relatives residing in the Quad-City area.

He was employed as a deck hand for two years with Huffman Towing Co. in Clayton, Mo. Mr. Nunn was of the Protestant faith.

Survivors other than his widow, Mrs. Wilma (Brawley) Nunn, include one daughter, Sunshine Marie, at home; his parents, Mr. and Mrs. William (Nell) Nunn of Godfrey; two sisters, Mrs. Joseph (Sharon) Wyatt and Mrs. Dennis (Debbie) Kelly, both of Alton, and grandmothers, Mrs. Luna Tinton and Mrs. Hattie Nunn, both of East Prairie, Mo.

Visitation will begin at 2 p.m. today at Bob Thomas Memorial Mortuary, 2205 S. Main St., where the Rev. Robert Widdin will conduct services at 10 a.m. Friday, April 1. Burial will be in Valhalla Cemetery, Godfrey.

State seeks rollback of Illinois Power hike

The Governor's Office of Consumer Services (GOCs) has sought a stay in Illinois Power Company's Jan. 12 rate hike of \$89.5 million from the Illinois Commerce Commission.

The motion filed by GOCs on behalf of the Village of Buffalo requests that the ICC order a stay of Illinois Power's rate increase that is attributable to Construction Work in Progress (CWIP) for the Clinton nuclear power plant or that the ICC direct IP to collect those increased rates attributable to CWIP subject to a full refund with interest.

"The ICC has allowed IP to include a total of \$625 million of CWIP for Clinton in its rate base to date. If this allowance of CWIP is reversed at a rehearing, all or part of IP's last rate increase could be affected," said Alvin Grandys, GOCs director.

"Even if the ICC were to only stay that portion of the rates attributable to the inclusion of \$250 million in CWIP granted in the rate base in the January 12, 1983 order, over 75 percent of IP's last rate increase would be affected."

Since typical residential customers using 500 kilowatt-hours a month experienced more than a 20 percent hike in their bills, a stay would mean consumers' rates could be reduced by more than 15 percent, or be subject to a significant refund some time in July, pending favorable ICC reconsideration, Grandys said.

"Unless the commission's order is stayed or the right to

a refund is preserved by the ICC, the village of Buffalo and its citizens, as well as other IP customers, will suffer great and irreparable damages because the higher cost of obtaining electricity from IP has an adverse and immediate impact on all ratepayers," Grandys said.

DISTURBANCE MONDAY LEADS TO ARREST

Responding for the third time to a reported disturbance at 2120 Lee Ave., at 4:25 p.m. Monday, officers were advised by a resident there that James W. Buford, 44, of that address, allegedly struck a woman after dragging her to a room on upstairs apartment.

A woman was found by officers lying on a bed crying in a downstairs apartment. While attempting to question her, Buford continuously interrupted the officer, allegedly refused to be quiet, yelled and made threatening remarks.

When told he was under arrest, the man allegedly pushed and then pulled away from the officer and was handcuffed after a backup unit was called to the scene.

Buford was charged with disorderly conduct and resisting arrest.

CANNABIS CHARGES

Richard A. Waggoner, 17, of 209 Wilson Park Lane was arrested at GOCs' South last week for possessing cannabis that day and also was booked on a 1983 cannabis warrant. He pleaded innocent, and a \$2,000 recognizance bond was set.

Girl, 15, hit by stepfather, placed in home

Officers went to St. Elizabeth Medical Center at 12:05 a.m. Tuesday to talk with a 15-year-old Granite City girl who had reported to hospital authorities that she was struck on the face and head by her stepfather.

The girl said her mother and stepfather came to an address in Kirkpatrick Homes where she had been staying with a friend and an argument ensued.

The stepfather grabbed the girl by her left arm, dragging her out of the apartment, and once outside began hitting her face and head, she told officers. A friend took the girl to the medical center.

The Child Abuse Hotline was called and a representative of the Department of Children and Family Services took custody of the girl. She will be placed in a temporary home outside the city, reports said.

STEAL PURSE AT CROATIAN HOME

Patti Evans, 163 Briarwood Lane, notified Madison police this week that her purse and credit cards were stolen from a kitchen counter at a Croatian Home, 1000 Madison Ave. The thief lived through a rear door, she said.

A short time later, Mrs. Evans reported that her husband, Bruce, had found the purse, minus her wallet, at the rear of the Madison Auto Parts building.

PROBATION ORDERED

William Kee, 29, of 2028 Ohio Ave. has been fined \$741 and placed on a year's probation after being arrested at 22nd street and Edison Avenue for driving under the influence of alcohol, driving with a suspended license and possessing cannabis. His car collided with the auto of Darrell Jarrett, 3206 Colgate Place.

TWO BABYSITTERS SCARE AWAY BURGLAR

Two 14-year-old girls, babysitting during the weekend at a home in the 2100 block of Monroe Street, heard glass breaking and saw a man's jean-clad leg and brown boot inside the front door window.

Both girls screamed and the man fled. They ran to a neighbor's house and police were called. The area was checked by officers.

RADIO MISSING

Stephen Loftus, 2439 State St., an employee at Illinois American Water Company's filter plant, West 23rd Street and Logan Avenue, reported at 11:30 p.m. Monday that a portable AM-FM cassette radio, valued at \$75, was taken from the front seat of his auto while the vehicle was parked at the plant.

State budget termed 'blackmail'

By JIM SCHUETER

Madison County officials are saying Gov. James Thompson is using his proposed budget to "blackmail" the county into supporting his tax-increase plan.

In a letter to county board chairman Nelson Hagnauer, Thompson said the county may no longer receive a share of state income tax revenues under his proposed budget. In fiscal year 1983, \$1.4 million of the county's \$12 million general fund revenues came from income tax revenues put into county coffers by the state.

However, Thompson said the county could receive more than \$2.3 million in state income tax money next year if his four-year tax package is approved in the General Assembly. County Director of Administration Mary Kane said Thompson is threatening counties into supporting the tax increases.

"It's a back-door form of blackmail," Mrs. Kane said. "He's saying if you don't go along with this (tax program), you will lose this revenue and have to increase taxes, but we can't (increase taxes)."

Mrs. Kane referred to Thompson's claim that property taxes will have to increase by 22 percent to maintain county revenues if his plan is not adopted. However, the county's general fund rate is a maximum, 12 cents per \$100 assessed valuation. State legislation is needed to raise that rate limit.

"We're at the max," Mrs. Kane said. "We're not going anywhere." Thompson's package calls for a 1.5 percent increase in the state income tax and a 1.6 percent increase in the

corporate income tax, as well as increases in the state tax on alcoholic beverages, a 3.5 percent increase in the state gasoline tax and increases in vehicle license fees and truck taxes.

Finance Committee Chairman William Little, Alton, said he does not know what the General Assembly will do with Thompson's budget or the governor's tax plan, but he does know any reduction in county revenues could mean more cutbacks in services.

The county struggled with shrinking revenues and rising costs last year, and Little's committee had the difficult task of determining a 1983 general fund budget that has \$2 million less in revenue than in 1982.

Reduced services and layoffs have resulted from these budget cuts. For example, sheriff's patrols have been reduced because Sheriff Emil Toftant has been forced to lay off personnel, and Treasurer Michael "Mick" Henkhaus has laid off half of his workers temporarily to meet his budget.

"Presently, it doesn't look too good. It's just going to be more damaging," Little said. "I can realize where the state is hurting too, but the one I'm most concerned about is the county."

Little said Thompson's letter means more bad news.

centered and self-serving, and move toward ideals that will benefit the city as a whole.

DETERIORATED SEWER SYSTEMS

I will strive for a city-wide beautification program which will include calling for a plan to update our antiquated and deteriorating sewer system. Our sewer system, our streets and our alleyways are in a deplorable condition. This condition has existed for years - throughout the last two administrations. Yet, we as citizens of our community blindly go to the polls each election year and re-elect these same uncaring, undeserving and insensitive people who only care about their self-serving interests.

LACK OF REPRESENTATION

If elected, I will work toward reestablishing the close knit between this aldermanic position and the people who I was elected to serve. I will be a representative for all the people of this ward and the City of Venice as a whole. It is time for all of us to realize that friendship, race, color or creed should not be a deciding factor in our choice of a candidate.

SURVIVAL OF OUR CITY

The bottom line of this election is the survival of our city. We must seek new or different means of revenue. If we are to survive, we must seek funding through any and all means available to us. We as an aldermanic board must also be thoroughly aware of where city money is being spent. Wasted or double-spending for city projects must be curtailed. Our present administration has lost a tremendous amount of revenue through lack of interest or improper preparation of requests. This is one situation which must be addressed immediately. I intend to also thoroughly investigate the reason why our city employees have not had a pay raise in five years. Wake up City! Where is the money going? Your vote is vital. Not voting in this election is a vote for my opponent.

My victory in this election will be our city's victory! We have no permanent enemies; no permanent friends; just permanent interests.

Six SIUE non-credit classes for seniors

Southern Illinois University at Edwardsville will offer six non-credit courses at the Edwardsville Senior Citizens Service Center during the spring quarter.

The courses are part of the Metro-East Institute of Lifetime Learning educational program for area senior citizens age 60 years or older.

Courses to be offered at the center include: conversational German, creative poetry, drama, movement to music, and ballroom and square dancing.

The course in conversational German is designed to develop basic skills in the language. The main emphasis will be on the spoken word, with some writing and reading of the language.

Classes will meet on Wednesdays from 3 until 4 p.m., beginning April 6.

Creative poetry will be offered on Thursdays from 2 until 3:30 p.m., beginning April 7. According to the instructor, Jane Pennell, "Poetry communicates ideas, insights, emotions, stories, opinions, attitudes, and human experiences of all kinds. We will see how career poets have shared their life experiences with readers. Then we'll find pleasing ways to send out our own letters to the world."

Movement to music will begin April 11, meeting on Mondays from 9 until 9:45 a.m. This class involves exercising to music, an activity intended to increase body flexibility, build stamina and improve breathing technique.

Sessions on drama will be

offered on Mondays from 2 until 4 p.m. at the center, beginning April 11. Works from different periods of history will be included in the study. The plays will be approached for content and meaning.

Ballroom dancing will be taught at the center on Mondays from 7 until 8:30 p.m. Instruction in square dancing will be given on Tuesdays from 7 until 8:30 p.m. Both dance classes already are in session.

Additional information on any of the classes being taught at the Center is available by contacting Reba Klenko in the SIUE Office of Continuing Education, 1-692-3210.

DRIVER IS INJURED AFTER HITTING WALL

Timothy W. Jett, 19, of 1902 Kirkpatrick Homes, sustained an injury during the weekend when he lost control of the car he allegedly was driving north in the 2200 block of Washington Avenue and struck a concrete wall, on the north side of a driveway at the home of Don Jurgensen, 2223 Washington.

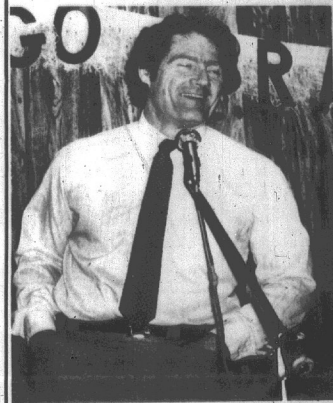

Reports said that Jett's vehicle allegedly crossed the curb and driveway on the west side of the street before striking the concrete wall. Damage to the wall was estimated at more than \$250.

Jett allegedly left the scene, but was tracked to his home by a trail of fluid leaking from the car engine, reports said. He was arrested and charged with failing to give information following an accident.

OFFER COURSE IN STAMP COLLECTING

The Office of Continuing Education at Southern Illinois University at Edwardsville will offer a non-credit course in stamp collecting, beginning Tuesday, April 5. The class will meet each Tuesday from 7 until 9 p.m. in Room 2304 of Peck Classroom Building. Sessions will run through Tuesday, May 10.

Students in the course will learn many things about stamp collecting, including buying, selling, trading, mounting, storing and exhibiting stamps.

Fee for the class is \$30. Those interested in the course may register by mail or at the first session of the course.

Instructors will be Frank Oakes, Wayne Santoni, and Stanley Kimball.

For additional information, interested persons may call the SIUE Office of Continuing Education at 1-692-3210.

PIZZA HUT CHAIN IS HIRING 20,000

The Pizza Hut restaurant chain is hiring more than 20,000 new employees nationwide to handle its expanded lunch business.

The company said the 20,000 new workers will be needed because sales are expected to increase dramatically when Pizza Hut introduces its new lunch pizza, Personal Pan Pizza, today. The hirings will be made based on the company's projections for increased volume demonstrated by test market response.

"Our business growth will enable us to extend employment opportunities to people throughout the country," said Arthur G. Gunther, president and chief executive officer of Pizza Hut, Inc., a unit of PepsiCo's Food Service Division. The 20,000 full-time and part-time hirings will be the equivalent of up to 10,000 full-time jobs, he said.

Weber commends

(Continued from page 1)

sent a letter to William Weidner, a Madison patrolman and president of the Police Benevolent Aid Protective Association, Unit 110.

Allegations made by Weber about Police Chief Don Bridick and Detective Sgt. Paul Bargiel that were reported in the story were construed to mean that the state's attorney believed the entire police department was at fault. At a police club meeting, the possibility of discussing the comments with Weber was considered and Weidner, Norris Horton, William Fanning and Richard Asperger volunteered to talk with the state's attorney.

"We felt basically that it was an unfair blanket criticism of the entire police department," Weidner said of Weber's original allegations. "We think we have a fine police department," he added.

Those sentiments were expressed in the meeting, which Weber said was productive and pleasant.

In the letter which followed the meeting, Weber says, "It has been brought to my attention that further comment on my part is necessary to convey my view of the Madison Police Department. This is because some people have construed my comments that the police are 'political' and that the quality of police work in Madison is 'horrible' to include all of the police work and all of the Madison policemen."

"While I believe that my comments were accurately reported by the newspaper, I did not intend for anyone to construe my comments as being an indictment of the entire police department."

Weber continues that in 1976, he and his brother, who were both assistant state's attorneys, worked with Bargiel and Tom Voloski, who was then a detective, to solve the murder case of Frank Riddle. Angelo Baker pleaded guilty and was convicted in the case. Weber says that "They (Bargiel and Voloski) worked together very well and very professionally."

The letter adds that Bridick was not chief at the time. "Unfortunately, seven years later the Madison Police Department would be hard pressed to even come close to being able to handle a major crime such as that," Weber contends in the letter.

Frank Dutko, who Weber says was "a good policeman and chief" was replaced by Bridick, who had been a juvenile officer, the letter says.

"Tom Voloski now answers the phone at the police station instead of solving major crimes," Weber contends.

"My comments in the Press-Record reflect my concern with the administrative ability in the Police Department and with the quality of work in the detective section. The police work, follow-up, investigation, evidence gathering, report writing and court testimony on the major cases that I personally deal with is, indeed, horrible. However, this does not mean that Madison does not have any good, conscientious, professional and intelligent policemen. They do," Weber maintains.

Voloski is cited as being "as good a detective as any in Madison County." Many patrolmen in Madison, he says, are good policemen, "but they suffer from a lack of leadership in the department. They do their jobs properly and enforce the law in a fair, even-handed manner. However, the Madison Police Department cannot perform its proper function to protect the life and property of the citizens of Madison unless the leadership at the top has the ability, training and intelligence to do the job."

Throughout the letter, Weber says he believes there are good policemen in Madison. "My comments concerning the two individuals (Bridick and Bargiel) in the police department about whom I spoke should be limited to those individuals only," he says.

Weidner said that Weber indicated at the meeting that he is "more than willing" to solve what Weidner termed "an apparent liaison problem (between the police department and the state's attorney's office) that needs to be worked out."

Weber stresses that in the letter, saying, "as always, my office will do everything in our power to cooperate and attempt to effectively combat crime in the city of Madison. Frequently, however, we have to fight Madison crime despite the Madison chief of police and detective."

Members of the Madison police force were satisfied "in general" with the clarification from Weber, Weidner said.

General comments concerning the original allegations have been expressed, but "nothing specific to any officers," has been mentioned, Weidner said.

He added that the police generally were "glad to see" that Weber is willing to cooperate.

PARENTING CLASS OFFERED THURSDAY

A Parenting Class will be conducted Thursday, April 7, at 1:15 p.m. in the Wiesman Room at St. Elizabeth Medical Center.

WORKSHOP ON AIDS FOR HANDICAPPED

The fourth workshop in the Easter Seal Society's five-part series, "The Question of Independence," will be conducted Tuesday, April 5, in the Maple Room of the University Center on the campus of Southern Illinois University at Edwardsville. The workshop topic is "Adapting Your Way Toward Independence" and is being coordinated by Easter Seal Occupational Therapist Beth Marshall.

New advances in therapeutic equipment will be discussed and samples of the state of the art will be available for examination. Experts in the field will attend and lend their insights to the discussion, including Dixie Sleigh, director of the Community Service Program at Washington University in St. Louis; Diane Ward, an instructor at Washington University in St. Louis; and Jim Fiss, vice president of sales and marketing of United Medical Mart in St. Louis.

The workshop is designed to be of value to the handicapped and the families of the handicapped. Advance registration can be arranged by calling the Easter Seal Society office in Alton at 1-462-8897. Cost of the workshop, which lasts from 9 a.m. until 3:30 p.m., is \$10.

ROBIN WILLIAMS FILM AT SIUE

Holy Week services at area churches

Luke 24:3 "He is not here, but is risen."

MUCH DOUBT

Many people are quick to make the statement, "I don't believe that Jesus was resurrected." This is not surprising since even the disciples of Jesus were upbraided by Him for their unbelief. He had explained to them over and over again that this was the purpose for which He came. However, when He appeared unto them after His resurrection, they were convinced that Jesus lives.

WE MUST BELIEVE

How critically important it is that we stress the need for absolute faith in Christ's resurrection. If there is no resurrection from the dead, then is Christ not risen? And, if He is not risen, our preaching is in vain and our faith is in vain. We are not in the same position as the disciples. We have nearly two thousand years of Christian faith which has declared against all opposition that Jesus lives!

CHRISTIAN FOUNDATION

Any religion that stresses moral and physical discipline will serve a purpose here on earth, whether it be founded on Christ's teachings or not. However, we know that there is more to life than the few years we spend here on earth. There is an eternal kingdom of God. Jesus said, "Where I am, there ye shall be also." Something within me wants to live and be with Jesus. My spirit thrives on His promise of eternal life. His resurrection from the dead is the foundation for all Christian faith throughout the world. It certainly is for me, Jesus lives!

SALVATION—RESURRECTION

We believe that God's Son was born of a virgin. We believe that the Son died on Calvary for our sins. We believe that Christ rose again and is seated on the right hand of God. We believe that this is what salvation is all about. The Bible simply states it this way: "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God raised Him from the dead, thou shalt be saved." It is easy to see that the importance of "do's and don'ts" religion falls by the wayside and believing is the essential part of salvation. We believe Jesus lives!

WORD AND FAITH

The Word of God will build up your faith. Study the Bible and see all the promises of God. Salvation, healing, and the Holy Spirit Baptism all point to the supreme promise of God which is eternal life. Jesus said, "Because I live, ye shall live also." Believe He lives. Today.

Presbyterian Easter services

The Easter Celebration in the Nameoki Presbyterian Church, 1700 Pontoon Road, will begin with a 7 a.m. Sunrise Service. "The Sound of His Voice" will be the theme of Pastor Don Peterson's message. The Sanctuary Choir under the direction of Mrs. Leon (Beverly) Scroggins will be singing "O Morning of Beauty" by John Sheble.

The annual Easter Fellowship Breakfast will follow at 8:15 a.m. The Board of Deacons, under the supervision of Mrs. Lester (Ruby) Rhine, will prepare the breakfast and the men of the congregation will serve.

An Easter egg hunt for children will begin at 9 a.m. to be followed by a special Easter Sunday School program at 9:30 a.m. Mrs. Ray (Judy) Hankins and Mrs. Harold (Joyce) Toussaint have the direction of this program.

Hunday Thursday will be marked by the congregation in their 10th Annual Passover/Communion Service. Each participating family brings a gelatin salad and sandwiches to pass for the fellowship meal preceding the service. The Westminster Fellowship provides assistance for the observance which begins at 6:15 p.m.

The Nameoki Presbyterian will host the first North Side Community Good Friday service scheduled for 7:30 p.m. The Rev. Eugene Seaman of the Nameoki United Methodist Church will assist the host pastor in the service. The message of the evening will be delivered by the Rev. Linda Frew-Slaughter of the Mitchell Presbyterian Church.

"The Power of His Resurrection" is the theme of the Easter message in the 10:45 a.m. celebration according to the pastor. The Sanctuary Choir will be singing the hymn, "Christ is Risen" by John Peterson.

Easter revival in Glen Carbon

An Easter revival, featuring the Price Family of Rolla, Mo., will be conducted at the First Assembly of God Church, Steiss Drive, Glen Carbon, according to the Rev. Ernest Hale, pastor.

The services will be held at 7 p.m. Friday, Saturday and Sunday.

Sunday School convenes at 10 a.m. with the worship hour at 11 a.m., Rev. Hale added.

Mrs. Bailey gives lesson

Mrs. Mary Bailey, chairman of the Lydia Circle of Nameoki United Methodist Church, read two articles taken from a book entitled, "Joy of Friendship," as the devotional lesson for the March meeting of the circle held last week in the home of, Blanche Debow.

She also read "Day Brighter" by Cecil Nelson and "Spring Morning" by Allan Doan. Marie Long read, "A Friendly Smile" as her presentation for the session.

Opening prayer was given by Mrs. Long and after a salad luncheon Mrs. Bailey conducted the business segment.

Members agreed to purchase a box of greeting cards to be sent to members listed in the Yellow Pages. Mrs. Bailey reminded the group to save items useful for the rummage sale, to be sponsored by the Every Member Bury Circle of the church. She also requested each one to bring a household item or recipe to the April 21 meeting at the home of Mrs. Long, 2300 Edwards St.

Thara Erney gave the closing meditations. Others present were Gladys Russell and Bess Rucker.

Youth program at Word of Life

A film entitled, "Peter and the Magic Seeds" was shown to the children of Word of Life Tabernacle Church, 12th Street and Meridian Avenue, by Don Hahs. Mrs. Ginny Biggs serves as superintendent of the youth division.

Mrs. Biggs welcomed 60 children who attended and the opening prayer was given by Tony Huffman. Darrell Hahs led the song service.

Children of the church will participate in an egg hunt on the church grounds at 12:30 p.m. Easter Sunday, the pastor added.

The following night 70 children and adults attended a skating party at Stoppok's Rollerland.

Glenview Chapel sets services

Glenview Chapel, Assembly of God Church, Wilson Avenue and Maryville Road, will hold Sunday School at 9:45 a.m. Easter Sunday with the worship hour set at 10:45 a.m.

The Rev. Jim Callahan will deliver the Easter sermon and after the service an Easter egg hunt will be held on the church grounds for the children. An evening worship hour will commence at 8 o'clock, the minister added.

Women's Aglow retreat set

The Women's Aglow Fellowship announce a spring retreat for the Southern Illinois area on April 8-9 at the Holiday Inn in Mount Vernon, Ill.

Guest speaker will be Mary McLeod who has been an instructor at Christ for the Nations Institute in Dallas, Texas, since 1973.

Her field is in the practice of the Christian walk, and among the subjects she teaches are intercession, prayer, fasting and praise. Married to Thomas J. McLeod, professor of English and journalism at Dallas Baptist College, Mrs. McLeod was widowed in 1970. She has two daughters, one married to a Baptist minister in Tulsa, and the other an elementary school teacher married to a medical student in Dallas.

Mrs. McLeod is a resident of Duncanville, Texas, and is a member of the Tybitt Street United Methodist Church in Dallas.

There will be special workshops, luncheon and Christian fellowship at the retreat. For more information those interested may call 931-2433, according to Marsha Legate, chairman of the Granite City group.

Sunday services at Full Gospel

Easter morning worship services will begin at the Full Gospel Baptist Church, 3001 Orville Ave., with a 6 a.m. service. The service will be followed by a breakfast for the congregation and guests.

Sunday School starts at 9:45 a.m., worship hour at 11 a.m. and evening service at 7 p.m., the Rev. Ronald L. Johnson, host pastor, announced.

Rev. Johnson said his sermon topic will be "He Is Risen." Children of the church will participate in an egg hunt on the church grounds at 12:30 p.m. Easter Sunday, the pastor added.

New Salem services

Easter Sunday services at New Salem Baptist Church, 1349 Klein Ave., Venice, will begin with Sunday School session at 9 a.m. to be followed by the regular worship hour at 10:30 a.m., according to the Rev. John Henry Williams, host pastor.

A baptism service will be conducted at 5:30 in the evening and at 6 p.m. an Easter drama entitled, "The Crucifixion" will be presented by the youth of the church, Rev. Williams added.

EMT REFRESHER COURSE IS OFFERED

An Emergency Medical Technician refresher course will be offered at the Belleville Area College beginning Wednesday, April 6.

The six-week class will meet from 6 to 9:30 p.m. Wednesday and Friday at the campus, 2500 Carlyle Road, Belleville. Tuition is \$28.50.

Registration before the first night of class is required. Students may register from 9 a.m. to 4 p.m. Mondays through Thursdays and from 9 a.m. to 3 p.m. Fridays in the General Studies and Community Services Division Office, room 1289, at the main campus.

Registration also will be taken from 4 to 8 p.m. Mondays through Thursdays in the Registrar's Office, room 2306, at the main campus.

Rev. Abbott extends an invitation to the area residents to attend the service or Sunday School at 9:30 a.m. and worship hour at 10:30 a.m.

Retiring teachers honored

Six teachers who are retiring from Granite City High School South this year were honored at a banquet last week, at the Sunset Hills Country Club.

Hein Kuestler has served as department head of English for more than 25 years and Albert Zebio of Social Studies for over 20. Other honorees are Emil Kanja, vocational; Richard King, speech; Ella Hanson, business economics; and Muriel Kratz, foreign language. Approximately 120 people attended the dinner, including many former retirees, faculty staff members and friends.

Serving as chairman of the committee was Diane Nelson, assisted by Sandra Hughes, Phyllis Weiss, Mary Ann Bright, Ruth Kania, Dorothy Mitchell, Joseph Hanson, and Roy McConkey. Following the buffet dinner, the group was entertained by the Southern Express Swing Choir, directed by Mrs. Mary Ann Bright, with a variety of musical numbers.

In addition, each teacher was given a gift from the faculty and staff, along with a framed caricature of himself painted by Mrs. Phyllis Weiss. Representing the individual retirees, someone from his department gave a short sketch of his career, including some special memories based upon personal experiences and some gained from questionnaires which the retiring teachers being honored. At the end of each segment, the students presented the teacher with a small gift from the Swing Choir.

Park egg hunt on Saturday

A special visit by the Easter Bunny will highlight the Granite City Park District's annual Easter egg hunt, scheduled for Saturday morning. As in the past, the hunt will be in the Wilson Park Ice Rink.

About 2,500 brightly-colored plastic eggs filled with jelly beans will be hidden for the youngsters to find.

There will be many prizes for the three age groups and children must be residents of the park district to be eligible to win. All children must bring their own containers in which to collect eggs.

The age groups and times for the egg hunts are: 9 a.m. first graders; 9:45 a.m. for preschoolers.

Additional information about the egg hunt is available by calling the park office at 877-3059.

HOLDS STUDENT OFFICE IN COLLEGE

A Granite City student has been elected an officer of the Baptist Student Union at Southeast Missouri State University, Cape Girardeau.

Vicki L. Johnson, daughter of Lowell and Lesouda Johnson, 3029 Wayne Ave., was chosen BSU vice president. She previously served as both secretary and publicity chairman of the organization.

Miss Johnson, a senior, is majoring in interior design and minoring in art. She currently is vice president of the American Society of Interior Designers' students chapter.

She is a graduate of Granite City High School South.

LLOYD BAILEY

BARBARA ELMORE

LA VERNA CORBITT

Former alderman and two newcomers run in Ward 5

Three candidates will be seeking the Fifth Ward office of retiring Alderman Margaret Norn on April 12. Those running for the four-year term are former Fifth Ward Alderman Lloyd H. Bailey and political newcomers Barbara Elmore and La Verna M. Corbitt.

Bailey, 61, of 2807 Roosevelt Ave., held the Fifth Ward office from 1977 until his defeat by Alderman Jake Varadani in 1981.

The candidate has been a precinct committeeman of Precinct Nine for 18 years, and a resident of his ward for 33 years.

Bailey served on the staff of Madison County Treasurer Mick Henkhaus from 1979 until he was laid off earlier this month.

Prior to his position with the county, he was a milk truck driver for 30 years, with the Swiss, Massey, Dressel Dairy, presently Prairie Farms Dairy. He was a member of Teamsters Local 825 for 21 years, serving as shop steward and committeeman.

Bailey, who is campaigning under his original 1977 slogan, "Man of Granite," points to his accomplishments while serving on the council, including: attending 95 percent of the council sessions; helping control the city's chemical waste (PBS) chemicals within the city limits; compiling petitions to condemn buildings, holding meetings to discuss property taxes and acquiring funds for curbs, guttering and blacktopping streets in the Fifth Ward.

Bailey backed the administration as a new alderman when he petitioned to keep the superintendent of streets position — then held by Lionel Portell — an elective office. He demonstrated his independence in 1979 when he quit the chairmanship of the city buildings committee that should go with the title.

The candidate moved into the area from Goldsboro, N.C., where he was born and attended schools. He is a member of West 22nd Baptist Church.

Bailey and his wife, Josephine, have a son, Nathan, and two daughters, JoAnn Clutts and Vicki Williams.

Mrs. Elmore, 45, of 3000 Cayuga St., is running in her first race as a political candidate.

"I've never held or run for public office before, but I believe each ward is entitled to the best possible representation," Mrs. Elmore stated.

"If elected, I promise to

The **PA** suggests

April 12

represent the people of the Fifth Ward to the best of my ability. At the same time I will work with the other members of the city council for the betterment and prosperity of Granite City."

She has been a member of the Parent Teacher Association (PTA) for 15 years, and was named Illinois Outstanding Parent in 1976. She has held various PTA offices.

Mrs. Elmore is a member of the Second Baptist Church Council and serves as church clerk and Adult Department secretary.

The candidate is a native of Granite City and a city resident for a total of 40 years. She attended Central Junior High School and is a graduate of Granite City High School.

She is employed as a saleswoman for Lombard Produce and has worked in the past as a bookkeeper and supervisor of the Remittance Department of First National Bank of St. Louis and as a saleswoman for B & E Lumber and Hardware.

Mrs. Elmore and her husband, Richard, have one son, Richard, and three daughters, Paula Miles, Kathy and Kristi.

The third Fifth Ward candidate, Mrs. Corbitt, 46, of 2701 Denver St., also is making her first attempt at political office.

The self-employed counselor operates the Corbitt Counseling Center from her residence. She was director of the Granite City High School South Guidance Department from 1976 to 1980. She taught at Central, Grigsby and Frater Junior High schools, and also was a counselor at Procter.

She seeks office as the result of her desire "to do her part" in community service for the ward in which

NARFE chapter hears Social Security report

The regular monthly meeting of the National Association of Retired Federal Employees Chapter 1067 was at Charlie's Restaurant recently with 65 in attendance, including three new members: Frank and Annette Scott and Al P. Moore.

Chapter president Harry McClintock, called the luncheon meeting to order. Thara Erney, second vice president, gave the invocation. A special welcome was extended to Edith Schwab and Frances Hoppe, both of whom underwent major surgery several months ago and are now able to attend meetings.

The minutes of the previous meeting were read by secretary Ruth Stoyanoff and the treasurer's report was given by Helen Martin. Mayne Valley discussed contacts with 11 members made by her Sunshine Committee during last month.

In the absence of Larry Hengehold, first vice president, who is convalescing from emergency surgery performed shortly after the chapter's February meeting, McClintock presented an abbreviated legislative report. It was noted in the report that the so-called "rescue" legislation to reform the Social Security program "probably will be passed by both houses of Congress without debate because of fear being generated by the White House that debate the proposal would lead to a rupture of the entire compromise package."

Starting in January 1984, new federal employees, as well as congressmen, the President and members of the cabinet, will have seven percent of their gross earnings deducted for Social Security plus an additional seven percent for a separate supplemental benefit plan. However, the legislation now being considered contains no language about a supplemental plan, which retirement experts indicate could take at least two years to formulate at which time the plan could possibly never be adopted. Because of this, new federal workers will be purchasing a very expensive "big in a poke" starting next calendar year, McClintock said.

There is considerable alarm among professional watchdogs of Congressional action about the proposed legislation's "band-aid" approach to solving the Social Security problem. These knowledgeable observers feel that the full, long-term implications of the actions, one of which is the adverse impact on the current federal employees retirement system now being considered, are not thoroughly understood by many of our

congressmen, McClintock added.

He urged members to carefully study the article starting on page five of the March "Retirement Life" magazine, entitled, "Retiree Benefits are Targeted again in Reagan's Budget."

"With all the attention being paid by us to the Social Security reform effort we must not overlook the separate budgetary process now underway on Capitol Hill," McClintock noted. Among his proposals in the FY 1984 budget, which McClintock said are unfair to federal retirees, is Reagan's recommendation to Congress that recipients of Social Security benefits suffer a six-month delay in cost-of-living adjustments whereas federal retirees will be forced to live with a full

McClintock referred to the NARFE State Convention which will be at the Decatur Sheraton Inn, May 5 to 7. He announced the next chapter meeting will be at Charlie's on April 11 at 11:30 a.m.

COMMIT LEWD ACTS AT GC RESTAURANT

A Cahokia woman was seated in the Taco Bell Restaurant, 3685 Namoki Road, in the early morning hours last week when two men walked past her table with their clothing open, made an obscene remark and exposed themselves, she told police. A third man was near the counter at the time, she said.

The trio went outside to an auto parked near the restaurant windows, where the same two men pulled down their clothing and again exposed themselves, she reported. A Missouri license number was obtained from the vehicle.

One of the men was about 21 years old, 5 feet, 10 inches tall, weighed 180 pounds and clean shaven with blond curly hair, shoulder length. The second man also was about 5 feet, 10 inches tall and weighed 160 pounds. He was slender and had dark shoulder-length hair, the woman told police.

Charge Madison driver with DUI

Keith Alan Terrell, 35, of 808 Franklin St., Madison, was charged with driving while under the influence of alcohol and leaving the scene of an accident when arrested during the weekend.

Terrell reportedly was traveling north in the 200 block of West Third Street, Madison, when his vehicle allegedly struck two parked vehicles — a 1975 pickup truck belonging to William Garrett, and a 1975 auto owned by Sarah R. Garrett. Both Garretts reside at 218 W. Third St.

After allegedly fleeing the scene, Terrell was taken into custody in the 900 block of Jefferson Street, Madison, where he was released after posting a \$102 cash bond, pending an appearance April 22 in the Granite City court.

GC residents urged to check assessments now

"A few minutes now can save days and dollars later," says Granite City Township Tax Assessor Von Dee Cruse.

In asking township homeowners who feel there may be a problem with the assessments of their homes to contact his office before reassessments are completed April 15.

"The time to see the assessor is before we make the assessment," Cruse noted, warning that those who wait until after the new assessments are published will have to pay for a Board of Review hearing and go to Edwardsville for that hearing.

Persons who have added to their homes, razed a garage to street level and persons who have had problems in the

past with assessments of their homes are particularly urged to contact the assessor's office now at 6150 Cruse said.

Reassessment is underway and the books are due in Edwardsville by April 15, he noted.

"Anyone who feels he or she has a problem or a question should contact us immediately. Some many come in after the reassessments are published and are upset. Those problems can be resolved now in one visit."

"Too many Granite City residents don't bother to come in to check their assessments until it is too late. We hope we can avoid that this year," Cruse concluded.

Find stolen truck used in GC burglary

Granite City police are seeking three men who are believed to have committed a burglary here and then abandoned a stolen truck in the 2000 block of Washington Avenue about 11:45 p.m. Tuesday.

The incident began with a report of a white Ford pickup truck parked in the area of Newell Drive, followed by a neighbor of the Robert Briggs family at 3207 Erin Drive, seeing a pickup truck occupied by three men pull out of the Briggs driveway.

The neighbor knew Mr. and Mrs. Briggs were not yet scheduled to arrive home from an out-of-town trip and called the couple's son Larry, who discovered a window broken in a door and that the house had been entered.

Close doors and dresser drawers were open and immediately determined to be missing were a microwave oven, a color television and some jewelry. Certain items had been moved from bedrooms into the kitchen, reports said.

Shortly after the initial report, an officer located a

truck matching the description of the vehicle being sought in the burglary at a block of Washington Avenue.

In the truck bed were a decorative green glass lamp and a miniature vase and a bath towel was behind the seat. All the items are believed to have been taken from the Briggs dwelling.

The vehicle's Missouri license plate was checked and it was learned the truck which had a punched ignition, was reported stolen Monday in St. Louis.

About the same time the truck was located, a Granite City Steel security guard notified police that upon arrival of the squad cars on Washington Avenue, a man started to run from Washington toward Jewell Street. He was thin, about 5 feet, 11 inches tall, had dark brown hair and was wearing baggy black pants and a light colored shirt, the guard said.

Other calls were received by police and several residents in the area where the truck was found were questioned.

Anderson appeals conviction in Zevallos kidnapping case

Don Benny Anderson, convicted of attempting and conspiring to obstruct interstate commerce by threats of violence in the abduction of Dr. Hector Zevallos and his wife, the former, Rosalie Jean Krevovich of Granite City, has filed an appeal with the U.S. Seventh Circuit Court of Appeals in Chicago.

The appeal was filed by Anderson's attorney, Wayne Schoenberg of St. Charles, Mo. The appeal contends that Anderson's conviction should be reversed because of four errors in his trial.

Anderson, 42, of Pearl, Texas, argues in the appeal that District Judge William Beatty of Granite City denied a defense request instructing the jury that consideration of evidence concerning other crimes occurring during the abduction should be for limited use only.

The judge should have explained to the jury that testimony that Anderson and two others abducted the Zevalloses and took \$250 from them should not be considered in the charge of

obstructing justice in determining guilt.

The appeal also contends that Beatty should have agreed to a request that jurors be instructed that they could return an acquittal and not be punished for it. Anderson contends he was denied his constitutional rights when Beatty refused to allow him to assist his attorney in his own defense.

The appeal further argues that the conviction be reversed on the basis that the charges were not proved. U.S. Attorney Frederick Hess has until April 27 to file an answer to Anderson's appeal.

Wayne A. Moore, 18, and his brother, Matthew, 20, have pleaded guilty to participating in the abduction and were sentenced to serve 20 years in federal custody. They are undergoing physical and psychological evaluations at the medical center for federal prisoners in Springfield, Mo., and will be returned before Judge Beatty for a final review of their sentences before they begin serving them.

Classes in music begin next week

Non-credit classes in music, both in listening and instruction, will be offered at Southern Illinois University at Edwardsville during the spring quarter. Provided by the Office of Continuing Education, the classes will include reliving the big band era, and instruction in piano and guitar.

Two sessions are scheduled in beginning guitar. Section I will meet Wednesdays from 8:30 until 10:30 a.m. in Room 1302 of Peck Classroom Building, beginning April 6. Section II will meet Mondays from 7 until 9 p.m. in Room 2304 of Peck Classroom Building, beginning Monday, April 4. Registration for either session is \$40.

Intermediate guitar will be offered on Wednesdays from 7 until 9 p.m. in Room 2304 of Peck Classroom

Building, beginning April 6. Registration is \$40.

Instruction in piano will be offered on Thursdays from 7 until 8 p.m. in Room 3406 of Peck Classroom Building, beginning April 7. Registration is \$30.

A nostalgic class in music of the big band era will be offered on Tuesdays from 5:30 until 8:30 p.m. in Room 3404 of Peck Classroom Building, beginning April 19. Registration is \$35.

Additional information may be obtained by contacting the SIUE Office at 1-692-3210.

MACHINE IS LOOTED
An unknown amount of change was taken from a soda machine at Bob's service station, Nameoki and Johnson roads, during the weekend.

Crash damages \$6,000 traffic control unit

An accident at Pontoon and Nameoki Roads at 1:15 a.m. Wednesday resulted in an injury to one driver, a second motorist receiving a ticket for driving under the influence of alcohol and major damage to a \$6,000 traffic control box.

According to reports, Scott W. Nonn, 19, of 4010 Braden Ave., Lot 20, was traveling south on Nameoki Road and missed the curve at the IHOP restaurant.

His auto struck a Department of Transportation signal control box on the northwest corner of the intersection at Nameoki and Pontoon, then hit a car waiting for a train to clear the tracks on West Pontoon Road.

Ricky L. Donaldson, 27, of 169 Big Four Place, Mitchell, operator of the halted vehicle, sustained a minor injury in the crash.

Chris Donaldson, 23, of 2847 Harding Blvd., who was standing at the side of the stopped auto talking with the driver, saw the Nomm car approaching and stepped backward away from Donaldson's vehicle and was not hurt.

An officer at the scene alleged Nomm swayed while talking with him and emitted an odor of alcohol. Nomm declined to take a breathalyzer test and was charged with DUI and driving too fast for conditions.

In a court appearance at 3:10 p.m. Wednesday, Nomm pleaded guilty and was fined a total of \$810.

Car flips over, woman injured

Patricia A. Jones, 33, of Grafton, was injured at 4:35 p.m. Wednesday when her vehicle she was driving north on Route 3 near Precourt Metals left the roadway and crashed into a steel I-beam. The impact caused the auto to flip over several times.

She was taken by ambulance to St. Elizabeth Medical Center.

Mrs. Jones had left work early when she became ill and may have blacked out prior to leaving the road, she told officers. She remembered nothing of the accident, reports said.

Fire starts in vacant house

A passing motorist noticed smoke coming from a residence at 2162 Grand Ave. at 12:10 a.m. today and asked a family coming out of an adjacent dwelling to call police.

Granite City firefighters extinguished the blaze, apparently started in an overstuffed chair in the kitchen. The house is unoccupied and presently is under construction, reports said.

The fire damaged the kitchen area and part of the roof. Neither the owner's name nor estimates of damage were available today.

In a bizarre twist, an officer, said while working near the scene of the fire, the motorist who had reported the blaze informed him that another man had approached him saying, "We've got to put that fire out because there's a bomb upstairs."

The officer advised fire department personnel, who searched the house. No bomb was found.

The man making the statement about the bomb was described as 5 feet, 7 inches tall, weighing about 160 pounds with dark brown hair. He was wearing a plaid shirt, the passing motorist said.

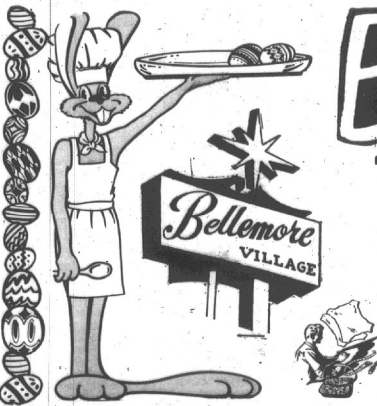

FRIENDLY AGERS ENROLL MEMBERS

Four new members, Earl and Ethel Cox, Alma Burnett and Mildred Ward, were enrolled at a meeting of the Friendly Agers Club of Second Baptist Church.

Henry Hall gave the opening prayer and Miss Dugins welcomed 50 members and seven guests. Irene Broadway gave the secretary's report followed by special readings by Naomi Ronney and Earl Spaulding.

Ruby Mayberry directed several games and a skit entitled April Showers, and Jay Corbett presided at the piano while sang a hymn.

Devotions were given by the Rev. Carl Watkins who also closed the session with prayer.

Send 2 women to county jail

Two Granite City women were remanded to the Madison County Jail in Edwardsville last week, following alleged shoplifting incidents at Schnuck's and Walgreen Drugs in Crossroad Plaza Shopping Center.

Violet L. Shumate, 35, of 2127 Lincoln Ave., who initially gave police the name of Patti L. Wells, and Theresa A. Nagle, 27, of 2024 Illinois Ave., allegedly were seen by employees at Schnuck's leaving the store without paying for certain items.

After being detained, Mrs. Shumate was found to have in her possession three necklaces attached to display cards from Walgreen Drugs. The costume jewelry was identified by an assistant manager from the drug store.

Mrs. Shumate was booked on two charges of retail theft, and, in an appearance at the Granite City court, pleaded innocent to the Walgreen charge and guilty to the charge relating to Schnuck's. She was fined \$25 and costs and was released on a \$2,500 recognizance bond.

Mrs. Nagle was booked on one count of retail theft. She pleaded guilty and was sentenced to serve seven days in the Madison County Jail at Edwardsville and was fined \$25 and court costs.

Two hours later, Mrs. Shumate was picked up at home after the judge was advised that Madison County had an outstanding felony warrant against her alleging failure to appear in court on another charge.

In a second court appearance, the previous recognizance bond was rescinded by the judge, who set a new bond at \$50,000 and sentenced her to spend 60 days in the Madison County Jail.

Both women were transferred to the county facility later the same day.

TWO HURT BY AUTO
Chris Hendrix, 23, Rural Route Two, and Kenneth Cullipher, 24, Holiday Mobile Homes, were injured last week when hit by the northbound auto of Lorette Rose, 2500 Washington Ave. They had been rolling a motorcycle across Washington at Bromley Avenue.

Laura Flinn wins contests

Laura Michelle Flinn, 16, daughter of Mr. and Mrs. Charles Flinn of New Douglas, Ill., former Granite Cityans, competed in three contests this month and captured first place trophies, banners and crowns.

During the first event, The Miss Land of Lincoln pageant in Springfield, Ill., she was selected as a member of the queens court and named overall model.

The second competition was the Fro-Am Modeling and Com and Per performance talent contest held in Granite City. Here she was named Overall Talent winner, Universal Beauty and Pro-Am Teen Model and received first place awards for modeling

various types of apparel. Miss Flinn competed in the Miss Shamrock Pageant in Arnold, Mo., where she earned the Miss Shamrock of 1983 title and received trophies in other divisions including the vocal category and talent expo contest. She is a student of Sharold Yount in Granite City.

First child for Mr. Mrs. Gaines

Mr. and Mrs. Brian (Christine) Gaines of Granite City, are announcing the birth of their first child, a boy, on Feb. 19, at Oliver C. Anderson Hospital in Maryville.

The infant weighed 7 pounds, 6 ounces, and has been named Nicholas Ryan. Grandparents are Mrs. Margaret Wiesehan of Granite City, and the late Edward Wiesehan, Mrs. Dolores Gaines of Granite City, and the late Raymond Gaines.

Great-grandparents are Mrs. Lillian Wiesehan, Mrs. Evadean Todd, Mr. and Mrs. Otto Leimkuhler, Marie Ziegler, all of Granite City, and Mary Hendricks of St. Louis.

Christina Grooms wins trophies

Christina Grooms, 10 years old, of Granite City, competed in the Universal Pro-Am Modeling and Talent Contest at the Granite City Township Hall, earlier this month.

Enrolled in the 10 to 12 year old division she took part in the modeling events including a television commercial and was awarded eight first place trophies and two second place trophies as well as a high point trophy in modeling.

In the talent category she won the overall award and another trophy. She is the daughter of Mr. and Mrs. Larry Grooms.

FRED TREBING

DeMolays elect Fred Trebing

Fred D. Trebing, son of Mr. and Mrs. Clark Trebing, 1824 Sixth St., Madison, was elected master counselor of James Stuart Chapter, Order of DeMolay at its regular meeting during DeMolay Week, this month. He is a senior at Madison High School, and is a member of First Baptist Church in Madison.

Also elected were: Jimmy K. Stuart, senior counselor; Neal A. Mize, junior counselor and Antonio Narvaez, chaplain. The elected officers and other senior line and junior line officers will be installed in a public ceremony at the Masonic Temple on Saturday evening, April 16, at 7:30.

Conservation is program topic

The Southwestern Audubon Chapter meeting at Principia College on April 12 week at the Illinois State Police Building, 101 W. Main St., Collinsville, to hear the next regular meeting scheduled for April 18 at the Illinois State Police Building to convene at 7:30 p.m. A film and plans for a bird walk will be discussed. For further information concerning the organization those interested are advised to call 931-1352.

Cornet gave a talk and slide presentation on the problems the department faces with budget cutbacks unless and added tax is voted for the department. He said 20 percent of the officers will be dismissed and seven Illinois State Parks will close for lack of funds. This will limit the out of door places for people to visit and enjoy, he added.

Plans were made for a bird census on April 7 and at tendance at the Great River

HOW TO MAKE THE MOST MONEY YOUR MONEY CAN MAKE.

With all the different interest rates it's hard to decide how to get the most for your money. One way to eliminate this uncertainty is to look in today's high rates with one of our longer term CD's.

You can open one of these certificates for just \$500. But with rates like these, you'll want to put most of your money to work making the most it possibly can.

	Current Interest Rate* %	Effective Annual Yield** %
30 Month CD	9.950	10.460
42 Month CD	10.100	10.626
60 Month CD	10.250	10.792

*These rates effective from March 29 thru April 4, 1983.

**This yield achieved if principal and interest remain on deposit for the term. Federal regulations require a substantial penalty for early CD withdrawal.

YOU MAKE MORE MONEY EVERY DAY.

If you compare long term certificates, you'll find that some don't offer daily compounding. This means you're not getting the most for your money.

At Illini Federal, all of our long term CD's are compounded daily to give you higher yields.

We have lots of ways to give you the most for your money. To be sure which is the best way, come in and talk to one of our Financial Counselors. Make us your family financial center.

Chapter HT history told

Members of Chapter HT, P.E.O. Sisterhood, met at the home of Mrs. Arthur Buente, Monday, for a regular meeting. During the business meeting, which was conducted by Mrs. Leo Konzen, plans were completed for the annual BIL party which will be held May 19 in St. Louis.

The committee in charge of making arrangements for the event include Mesdames Tom Miosky, William Gaumer, Gary Morgan and B. S. Miller.

At the conclusion of the business meeting Mrs. Kurt

Merz read the five year history of Chapter HT. Mrs. Merz, who serves as historian for the local chapter, had researched the chapter files and included many interesting and forgotten, events in her report. The president thanked Mrs. Merz for her work, and said a copy of the report will be sent to the state organization.

The next regular meeting of the chapter will be a spring luncheon at the home of Mrs. John Suarez on April 11.

Others present were, Mesdames Elmer Baker, Maurice Dalley, John Gordon, G. E. Halyama, Charlie Kohl, Carl Mathias, E. F. Reiske, Randall Robertson, Paul Surbey, Irv State Jr., and Richard West.

Mrs. Blattner entertains club

Mrs. Robert Blattner, 2005 Yale Drive, entertained the Nemteclew Club, during the weekend, at her home.

The evening was spent in playing pinhole games and prizes were awarded to Mildred Meehan, Nadine Meehan and Lucille Broyles.

Refreshments were served by the hostess, assisted by her husband Robert Blattner, to Fern Hornberger and those named.

The April 29 meeting will be hosted by Mrs. Nadine Meehan at her home, 1269 Klein Ave., Venice.

Wilson PTA elects

Don Gargac, a former active member of Lake School PTA, was elected president of Wilson School PTA at its annual election meeting last week at Wilson School.

Mrs. Becky Chandler, current president, opened the session and the pledge of allegiance was followed with the PTA Prayer, led by Martha Legale.

Mrs. Mary Anderson, secretary, gave a report and new officers were nominated. Named to serve with Gargac in 1983-84 were:

Dee Taft, a former Wilson PTA president and vice president; Wilson Principal Ted Vrenick, who was re-elected treasurer; and Mrs. June Carter, also a former Lake PTA member, who will serve as secretary.

It was announced a special performance by the Square Dance Club, under the direction of Mrs. Diane Thornland, will be presented at the April meeting.

Refreshments were served by Mrs. Brenda Broska, hospitality chairman.

Preceptor Chapter elects officers

Preceptor Beta Gamma Chapter and Xi Chi Epsilon Chapter of Beta Sigma Sorority, met at a combined meeting this week in the home of Mrs. Janet Monaghan. Each chapter conducted separate business sessions.

Mrs. Carol Cathey, president of Preceptor Chapter, was in charge of the session and Marilyn Lumpkins served as secretary pro tem for the evening.

Mrs. Cathey read a letter on the Four State Breakfast set for June 11-12 in Eureka, Mo. Chapter members from Missouri, Kansas, Iowa, Nebraska and some parts of Illinois are invited to attend the event hosted by two Beta Sigma Chapters from Union, Mo., Mrs. Cathey added.

An election of officers was held with Donna Lane named president. Others to serve for the ensuing year are Betty Beck, vice-president, B. J. Jones, recording secretary, Dorothy Simpson, corresponding secretary, Mrs. Cathey, treasurer, and Carolyn Walsh, extension officer.

In other business, notes were received from Mrs. Simpson and Mrs. Julie Gates of Xi Theta Omega Chapter, expressing their appreciation for cards sent while they were ill.

Mrs. Jones read the treasurer's report and spoke on various ways and means projects for the forthcoming chapter year.

The May 1 mother's day affair is planned, according to Mrs. Beck and the chapter anniversary on May 15 will be hosted by Mrs. Monaghan at which time installation of officers will be conducted, it was announced. There also will be two rituals of progression held at the session.

Mrs. Lane noted the decorations for Founder's Day will be completed during the May 15 meeting. After the business segment, a cultural program taken from a column in the Chicago Tribune on "How to Talk Country" by Barbara Brothman, was given by Mrs. Linda Koenig. She included titles and lyrics of country western songs and spoke on the exaggerated language used sometimes to promote a song.

The next business meeting is scheduled for April 11 in the home of Mrs. Lane with an executive board session to precede the membership meeting.

Cooperation key to sewer dispute

After nearly three years of bickering and litigation, the dispute between Brandon Heights residents and the Madison County Sanitary Sewer for Special Service Area One is about to be resolved.

Monday, the residents are to meet with the service area committee and, at that time, a decision will be made to either settle monetarily with the homeowners for damages or to begin construction of a project to move the sewer line to the south edge of Old Alton Road, adjacent to Moleen Acres.

Committee members have indicated that they do not expect all 16 homeowners to be represented. Should one resident not attend or send representation, the meeting will be called off and construction will begin immediately.

Considering how long the dispute has continued, and how loudly the residents and committee members have voiced their respective sides, it is our hope that all of the homeowners show up or provide representation.

Should the residents sincerely want to settle the dispute, they will make a conscious effort to act together, as opposed to reacting separately. The meeting should not be a shouting session, as so many have been, but rather an honest attempt to resolve the dispute, rationally and calmly, for the benefit of both sides.

Committee members have indicated that they would prefer not to paying any money concerning the issue, be it for damages or to move the sewer line. With that consideration, the committee also has indicated that it would prefer to settle with the residents.

But both sides must be willing to resolve the matter. If the residents hold out, all but one of them will be without sanitary sewers and construction of the project will begin. We hope a settlement can be reached that will work for both the residents and the service area.

New direction in steel industry

The new "historic" contract between the United Steelworkers and the nation's major steel manufacturers is not going to solve all the problems of a troubled industry — now operating at less than 50 percent of capacity. Nonetheless, for two related reasons, it's an important — and perhaps crucial — step toward arresting the industry's dispirited decline.

The willingness of workers to accept cuts in wages and benefits which, in the context of the industry's declining productivity and the competition from lower-wage producers overseas, were in some instances awesome for their extravagance. The wage cut, roughly \$1.25 an hour out of an average wage of \$14.35, is accompanied by modifications in the cost-of-living formula that had made this country's steelworkers the highest paid industrial workers in the country, and probably in the world. The cuts are obviously not a pleasant prospect, but in an industry as plagued by obsolescence, foreign imports and enormous unemployment, there was hardly another choice.

The corresponding commitment of the steel companies, under pressure from the union, to invest the resulting labor savings in steel operations and in

shoring up capital for their steel business. Although the wage cut — the first such cut in a major industry — has received much of the attention that commitment is far more significant in an industry which in recent years has shifted more and more of its capital to non-steel businesses. It thus not only assures workers that the money the companies saved in the new contract will not go to unrelated investments and speculation but, concomitantly, encourages some statesmanship in an industry that badly needs it.

Big steel in this country will probably never come back, either in production or in employment, to the levels it reached a generation ago. But in the face of the likelihood of further labor difficulties, including the chances of a strike in August (which had already caused some large customers to threaten to place orders overseas), it had been confronting an even more rapid decline. The new contract removes that possibility and, more important, offers a chance that a healthy, albeit smaller, steel industry can be restored. In that sense, historic is not an inappropriate label.

The Sacramento Bee

Preparer knew what he meant

Guest editorial by Professor Garry N. Murphy of Southern Illinois University at Edwardsville — A "New and Improved" written test awaits Illinoisans who wish to obtain a driver's license. Heaven help them if the other 19 true-false items are no more carefully constructed than the one which has been publicized in the newspapers:

"Unless posted otherwise, it is permissible for drivers on a one-way street to turn left on a red light in order to make a proper stop and yielding to traffic or pedestrians within the intersection."

That beauty connotes two of what we in the grammar bit are pleased to call "dangling participles," i.e., verbal modifiers that have nothing to modify or that modify the wrong thing.

The first DP is "Unless posted otherwise." Unless WHAT is (are) posted otherwise? "It"? "Drivers"? "The second is even worse: "another one-way street that moves traffic to the left after making a proper stop and yielding to traffic or pedestrians" It is bad

enough to encounter "a street that moves traffic (conveyor belt?)" but it is downright mind-boggling to discover that the very same street can also stop and yield to traffic and pedestrians! Or is it the leftward moving traffic that stops and yields? Take your choice.

"Come on," says the examiner. "Just answer 'true' or 'false.' You know what they meant."

We do not, in fact, know what they meant. We KNOW only what they have said, which is nonsense. What they MEANT is a matter of guesswork.

Perhaps what they meant could have been said a little more clearly this way:

"Unless the intersection is posted to the contrary, drivers on a one-way street are permitted to turn left on a red light into another one-way street where traffic moves to the left, after they have made a proper stop and have yielded to traffic or pedestrians within the intersection."

That is still a rather murky sentence, but at least it might save off a lawsuit or two.

A continuing program for cleanup of the Granite City downtown business district is currently underway and is meeting with success, it was announced today by Al Barnes, executive director of the Associated Retailers. The cleanup is being handled by the House-

The flood situation today on Chouteau Island remained critical as the Mississippi River continued to rise and erosion continued to weaken the overstrained levees. Volunteers from throughout the St. Louis metropolitan area began sandbagging operations on

the island — as well as at many Missouri locations — last week and an appeal for more workers was issued Thursday. Workers had been hopeful of a crest in the river Saturday at just over 37 feet, but rain all weekend upstream extended the date for the crest to this Friday and the estimate was raised to 40 feet.

Readers React

Press-Record readers were asked how they celebrate Easter Sunday. Their reactions follow:

Virginia Onkle, Granite City

"We celebrate Easter very quietly — just my husband and I. He is one of the many unemployed, so we can't do too much rejoicing. I hope the next holiday is better for my husband and me."

Nancy Dickerman, Granite City

"It will be just my son and I. We go to church, come back and have a leisurely breakfast and have a big late dinner. And watch an awful lot of television very quietly."

Matilda Olsen, Granite City

"It's a normal holiday — a spiritual one, of course — a family gathering — a dinner with my children. It's a more relaxed holiday now than in my generation, when everyone dressed their children to the nth degree."

Peggy Scharf, Granite City

"Easter is a day with my mother and boy — Easter egg hunting, going to church — just spending the day together."

Madison chief assesses ambulance situation

To the Editor:

I feel that I must write this letter in order to correct several erroneous assumptions, recollections, and statements that were made in an article and in a letter to the editor which were printed in the March 24 issue of your paper. Both the article and the letter dealt with a multi-vehicle accident which occurred during a snowstorm earlier this month on the McCambridge Avenue Viaduct just outside the city limits of Madison.

In the letter to the Editor, it was assumed that the McCambridge Avenue Viaduct is in "no man's land." As stated earlier, the group of dispatchers, they know what areas our fire department and ambulance service covers, and they are kept informed of all changes in the areas covered. Any changes in the areas covered, also are posted at the dispatcher's desk so that if there is a question concerning a fire or ambulance call, they can check if we are responsible for the call in short order.

I also find several erroneous statements in the article dealing with the accident on the viaduct. To start with, the victim who required extrication from her vehicle was not the young woman mentioned in the article. The victim who required extrication was a 33-year-old woman from Missouri. She was freed from the front of her vehicle (not the back seat) by the Madison Rescue Squad and transported to the hospital by the Madison Ambulance.

Secondly, I find several erroneous statements in the article concerning the timing of the response of the Madison Fire Department Units. The law enforcement officials, upon arrival at the scene, requested that the Campbell Ambulance Service respond to the incident. They were correct in doing this, because Campbell is responsible for ambulance service to the viaduct area, as per agreement with Nameoki Township.

Department, under this same agreement, is to provide ambulance service to all of the unincorporated areas of Venice Township. His only error in this recollection is the inclusion of Cloverleaf in this agreement. Cloverleaf is in Nameoki Township, not Venice Township.

The author of the letter also assumes our dispatchers are unsure of the areas covered by our Fire Department and Ambulance Service or that our dispatchers have received faulty instructions on the handling of fire and ambulance responses. I must say that we have a very competent, well-trained group of dispatchers. They know what areas our fire department and ambulance service covers, and they are kept informed of all changes in the areas covered. Any changes in the areas covered, also are posted at the dispatcher's desk so that if there is a question concerning a fire or ambulance call, they can check if we are responsible for the call in short order.

The law enforcement officials, upon arrival at the scene, requested that the Campbell Ambulance Service respond to the incident. They were correct in doing this, because Campbell is responsible for ambulance service to the viaduct area, as per agreement with Nameoki Township.

When it became apparent to the officials on the scene that there would be a great delay in the arrival of the Campbell Ambulance due to the conditions, they called our dispatcher requesting that the Madison Fire Department ambulance respond. Our dispatcher, knowing that our ambulance was not supposed to respond to the area, but also realizing that the situation was serious, promptly contacted Madison Fire Department by radio. I considered the situation, and told the dispatcher to dispatch both of the Fire Department ambulances immediately.

The Campbell Ambulances apparently arrived sometime during or after the dispatching of our ambulances because two Campbell ambulances were on the scene when our first unit arrived. Up to this point in time, there had been no request for our Rescue Squad.

When our first ambulance arrived and assessed the situation, they requested our Rescue Squad. I do agree with the gentleman from the Campbell Ambulance Service that some type of agreement should be drawn up to prevent an unfortunate occurrence like this from happening again. I have met with Nameoki Township and

an agreement with the Township providing guidelines for Madison Fire Department Ambulance response in similar emergency situations, which may occur in any of the unincorporated areas of Nameoki Township bordering the city of Madison, will be presented at the next city of Madison Council meeting.

I hope this sets the record straight. We are here to serve city of Madison residents first and, when possible, to serve neighboring communities.

BELIEVES M*A*S*H SETS BAD EXAMPLE

To the Editor:

I am sick and tired of all this praise that the television program called M*A*S*H is getting lately. I, for one, think that M*A*S*H is a terrible program. Because of the influence this program, has on our younger generation, I wonder how many children are drinking alcoholic beverages every day because of how much they drink on this program. They on M*A*S*H, go from the operating room to the bar, get all drunk up, an emergency situation arises and, bingo, they get off the bar stool, stagger and go back to operating. Would our hospital allow this? I hope not.

They on M*A*S*H make it seem that the only way to have fun is to drink, and I mean anything they can get to drink, even to having their own still in their tent.

God help us if this generation has to go to war and they try to imitate this program. Also the priest, on this program, is this the way the Catholic religion is? I am not a Catholic, so I don't know. He is a nice fellow and the best one on the program.

Besides the alcohol consumption, the program has very low morals in every way. I wonder if any of your readers feel as I do.

SPORTS PRESS-RECORD Thursday

Warriors take two games from Freeport

By STEVE WHITWORTH
of the Press-Record

GRANITE CITY — The baseball Warriors of Granite City South twice overcame adversity and swept a doubleheader Tuesday from the Freeport Pretzels.

In the opener, the Warriors blew a 5-2 lead in the seventh inning, allowing Freeport to tie the score; but, South scored on a wild pitch in the bottom half of the frame to win 6-5. In the nightcap, South fell behind 4-1 early in the game, but stormed back to win decisively, 12-5.

"It's sweet to win two," said South's coach, John Modica, and the manner in which his team won the games must have been particularly gratifying to him.

It was a day of fine performances by several of the Warriors. In the first game, senior Tom Newton provided his team with some impressive pitching and then scored the winning run.

The game began well for South as they jumped out to a 3-0 lead in their half of the first inning, with the help of three walks and two errors by the Pretzels. Newton contributed a key single that drove in one run and moved another runner to third base, resulting in a run later.

The Warriors increased their lead in the fourth inning when junior shortstop Randy Thurman singled, stole second and moved to third on a ground ball. He then took home on a double steal after center fielder Tom Adamits walked.

Meanwhile, Newton hurled four scoreless innings before Freeport got on the board in the top of the fifth. Pretzel catcher Derrick Wilhelm drove in two runs with a bases-loaded single.

The Warriors appeared to be in command as Newton retired the side in order in the top of the sixth. In the bottom half of the frame, South added an insurance run when second baseman Phil Dudak singled, stole second and scored on catcher Vince Mitchell's two-out single. It seemed the game was under control.

But, the Pretzels came back in the top of the seventh. Newton tired and walked the first two batters before being lifted in favor of Mark Vanyo. Newton finished the game with six walks and three strikeouts. He allowed four hits, hit one batter with a pitch and was charged with four runs.

Vanyo, who had pitched impressively in the season opener against Providence, was unable to stop the Freeport rally. Pretzel shortstop Kevin Cassidy singled to lead the bases and then Vanyo walked third baseman Mike Trotter to bring in a run and make the score 5-3. Wilhelm followed with his second two-run single of the game and knotted the score.

With runners on first and second and nobody out, Modica called on senior Dominic Griffin for relief. The burly right-hander got the job done.

The first batter he faced, first baseman John Seiple, bunted. Griffin threw him out at first, but the runners advanced.

Then, with Trotter on third and pitcher Dan Davenport at bat, the Pretzels attempted to squeeze in the go-ahead run. Trotter broke for home, but Davenport couldn't get his bat on the ball. South's catcher, Vince Mitchell, ran down Trotter before he could get back to third. Griffin then induced Davenport to fly out to center for the third out.

The Warriors bounced back immediately from the close call. Newton, who had moved to center field, led off the bottom of the seventh with a solid double. First baseman Tom Stogemeier struck out, but Griffin followed with a single which drove Newton to third.

Then, with junior Mike Sikora batting

for third baseman Darrell Elmore, Davenport threw a wild pitch: Newton barreled into home and scored on a close play as Wilhelm threw to Davenport, who was covering the plate. The jubilant Warriors mobbed Newton, whose pitching, hitting and running had contributed so much to the win.

Already assured of at least a split, the Warriors took an early lead in the second game, as well. First baseman John Linhart led off the bottom of the second inning with a walk and went to second when Pretzel hurler Jeff Davis balked. Catcher Jim Moulden also walked, but shortstop Randy Thurman hit a ball up the middle that Freeport turned into a fine double play.

Linhart took third on the play and remained there as designated hitter Dennis Gurkin and left fielder Vanyo walked. Then Pretzel catcher Phil Collalti made a bad throw back to his pitcher and Linhart scored as the ball rolled through the infield. Third baseman Sikora then popped up to Davis to end the inning.

South's early lead didn't last long, however. Jim Fletcher, pitching for the Warriors, had set down the first six Pretzel batters in order, but he walked Freeport second baseman Roy Johnson and rightfielder Nate Euella to lead off the third.

Davis moved the runners up with a ground out. Then, centerfielder Steve Williams gave Freeport the lead with a two-run single. Leftfielder John Birmingham followed with a triple and scored when the throw bounced off his foot as he slid into third to make the score 4-1.

South closed the gap in its half of the third. Second baseman Phil Dudak walked to lead off the inning and was forced at second by center fielder Tom Adamits. Mitchell, playing right field, was hit by a Davis pitch. Linhart then blasted a triple to make the score 5-3. He scored later on Gurkin's single.

Freeport brought in reliever Mark Korteneier to get the third out, but the Warriors made him the loser with two more runs in the fourth. Dudak singled and scored on a triple by Adamits. After Mitchell popped up to short, Linhart hit a ground ball to Seiple at first. The Pretzel first baseman elected to throw home, but Adamits was safe at the plate and the Warriors led 6-5.

South broke the game open in the fifth. Vanyo and Sikora reached base on errors and Dudak singled them both home. Another error put Adamits on first, but he was forced by Mitchell. Mitchell stole second and, with Dudak on third, Linhart followed with a two-run double, giving him four RBIs for the game.

Fletcher, meanwhile, continued to hold Pretzels in the top of the sixth. Lifted after that inning, he finished with three walks and six strikeouts. He gave up five hits and five runs in six innings of work.

Freeport's third pitcher of the game, Kevin Middlestead, was victimized by two unearned runs in the bottom of the sixth. Vanyo reached first on an error, moved to second as Dudak walked and scored on two wild pitches. Dudak went to third on the miscues and scored on Mitchell's ground ball to make the score 12-5.

That's how it ended as Warrior reliever Jeff Hoffman retired the Pretzels in order in the seventh. South scored their 12 runs with the benefit of just seven hits, thanks to five errors by the Pretzels and 11 walks by their pitchers.

South's game with Roxana Monday was postponed because of the weather, but it has been rescheduled for Wednesday, April 6 at South. The Warriors game at Wood River Wednesday was postponed and has not been rescheduled.

THE HAPPY WARRIORS. Granite City South's bench, including Head Coach John Modica (right) run to congratulate Tom Newton after he scored the winning run in South's 6-5 win over

Freeport in the first game of Tuesday's doubleheader. South won the second game 12-5 to increase its record to 2-1 for the season.

North, South set for East Relays

By ROGER KRAMER

BELLEVILLE — Track teams like Granite City North, Granite City South, Belleville West and Belleville East need a break once in a while.

The reality is that none of those teams take home many ribbons when East St. Louis and East St. Louis Lincoln are in the same track meet as them. The only way to keep up morale for every other track team is by having a meet without the two track powers.

Saturday's Belleville East Relays will be exactly that. Both North and South, both of the Belleville teams, Cahokia, Mt. Vernon, Centralia and Edwardsville will meet at 11 a.m. Saturday for the relays.

"It's always a good meet for the coaches and kids," Belleville East track coach Paul Browning said. "The kids can pick up a lot of awards at this meet, and that helps their morale quite a bit."

All too often, quality athletes from the other schools have their efforts go in vain because of the superior performances by the East St. Louis teams.

"They have most of the quality performers in the area. I don't mean to say that they're in a different world than us, but they've won the state championship six times in the last eight years. It's good for the other kids to be winners once in a while too," Browning said.

Lincoln, the defending Class AA state track champion, showed at the Alton Relays by 37 points over Hazelwood Central and 41 points ahead of East St. Louis.

Darwin Rencher (long jump), Juan Brooks (hurdles) and Earl McKinney (100 meter dash) are among the outstanding individuals for Lincoln. In addition, the Tigers have strong relay teams.

Lincoln track coach Art Marshall didn't want to predict whether the Tigers will be back, but he is confident about his sprinters.

The Tigers won the rain-shortened Alton Relays by 37 points over Hazelwood Central and 41 points ahead of East St. Louis.

"We don't have an outstanding sprinter, but we do have four good sprinters. I think we can do pretty well in the relay events this year, and you have to have good relays to be able to go for the state title," Marshall said.

Since Lincoln once again appears to be the dominant team in the area, the teams in the Belleville East Relays can breathe a sign of relief. However, Granite City North coach Harry Lang believes the Steelers have a tough way to go.

"Mt. Vernon and Centralia are usually very good in the same events we're good at," Lang said. They usually have good distance and field people, Edwardsville and Cahokia have good sprinters, and the Belleville teams are always tough."

In addition, distance runner Jim Robertson and jumper Al Pregel still won't be in maximum strength for the meets after illness last week. Some of the other Steelers won't be at full strength either, including weightman Paul Ballew.

The relays are divided into two divisions, the varsity and the freshman-sophomore. The two scores are then combined to determine the meet winner. Depth is essential to win the meet, and North doesn't have a great deal of depth because of the illnesses and injuries.

"We've done well at the relays in the past, and I think we'll have a good shot of doing well this year too," Lang said. South will be experience somewhat of the same problem with depth. Many of the freshmen and sophomores for South have been moved up to the varsity, and that means South will be weak in many of the freshman-sophomore events.

"We're not going to tear up the field up there," South coach Dave McClain said. "I'll be glad to place in the top three in our relays."

In the relays, heights and distances for the four participants will be added together for determine the winning teams. Separate relay events will be held in the varsity and freshman-soph divisions.

Steeler games called by rain

Both of Granite City North's baseball games last Monday and Wednesday were postponed because of the weather.

The Steelers were scheduled to play Belleville Althoff at North Monday and at Collinsville Wednesday, but field conditions prevented the teams from playing. The games have not been rescheduled yet.

North is scheduled to play Edwardsville today in a Gateway East Conference game at Edwardsville's Hoppe Park, weather permitting.

The reason Edwardsville was able to defeat North easily was because of the Tigers' depth. Edwardsville finished 1-2-3 in the 100 and 200 yard dashes and won three of the four relay races to win the meet. In the girls' meet, North only had one point out of the distance races as well.

"Edwardsville is a really good baseball track team," North Coach Harry Lang said. "They have some good guys in the sprints who are really hard to beat and they have great depth. They're going to give a lot of teams problems this year."

The other problem the North boys had was the lack of depth. "We're going to have to overcome our lack of depth if we're going to be a good track team. They beat us in three of the four relays. If you lose all the relays, you're already losing 20-0 and it makes it real tough to stay in a meet," Lang said.

On the other hand, North did have some pleasant surprises against the Tiger. The most noticeable was Darren Bernaix's win in the 800 meters.

Bernaix, who was a sprinter at Grigsby Junior High two years ago, gave Lang a lot of optimism about the season with his decisive win in the 800. He won that race in 2:07.2, three seconds faster than his nearest competitor.

"It may be a surprise to some people that he's done this well, but we felt from the very first practice that he was going to run a good 800 for us. Had he the race been closer than it was, he probably

EDWARDSVILLE — Granite City North's first dual track meet of the season was like many other season openers. It had its share of disappointments and surprises.

The most disappointing thing was the final score of the meet. Edwardsville defeated the Steelers 85-49 in the boys' meet. In the girls' meet, Belleville East won with 95 points, Edwardsville had 92 points, North had 45 points and Highland St. Paul had just nine points.

The reason Edwardsville was able to defeat North easily was because of the Tigers' depth. Edwardsville finished 1-2-3 in the 100 and 200 yard dashes and won three of the four relay races to win the meet. In the girls' meet, North only had one point out of the distance races as well.

"Edwardsville is a really good baseball track team," North Coach Harry Lang said. "They have some good guys in the sprints who are really hard to beat and they have great depth. They're going to give a lot of teams problems this year."

"It may be a surprise to some people that he's done this well, but we felt from the very first practice that he was going to run a good 800 for us. Had he the race been closer than it was, he probably

Granite North Steelers

would have run a little bit faster," Lang said.

"I think he's been running well considering the fact he's only a sophomore. He has a good mixture of speed and endurance, and he's willing to pay the price to become an excellent runner. I think he has an extremely bright future," Lang said.

Jim Robertson, coming back from an illness, won the 3200 meters in 10:37, and North's Ken Kalka was second with 0:40. Robertson was also second in the 1600 meters, running that race in 4:53.3.

North's John Morris won the shot put with a throw of 46-6 and was second in the discus with a throw of 109-10. Meanwhile, North's Paul Ballew won the discus with a throw of 128-2 and finished second in the shot put with a 41-6 foot throw.

Richard More of North was first in the pole vault with a leap of 10-6 and Jon Dobler was third, also with a leap of 10-6.

Dobler, John Kindie, David Schubert and David Tatum combined to lead North to a win in the 400 meter relay. North ran that race in 47:63 seconds, but Edwardsville's team dropped the baton with a big lead and North was able to make up the lead to win.

Other boys who placed include David Long, who was second in the triple jump (42-8 1/2) and third in the long jump (19-2 1/2). Tatum, third in the 400 meters (56.9 seconds), and Scott Cant, third in both the high hurdles (16.07) and high jump (5-10).

Meanwhile, the girls, running their

first meet of the year, did about as well as Lang expected them to do.

"They ran the relays well, and we could have done a little bit better in the 800 relay if we would have had our usual people in there. The girls were really wanting to get out and run a meet because they were so tired of practice," Lang said.

North's Paula Rozyczyk fared well. She won the 200 hurdles, her best event, in 33.9 seconds and finished second in the 100 hurdles in 14.35 seconds.

The Steelers' 800 medley team, Carla Graham, Emily McWhorter, Donna Broyles and Nancy McClew, won its race in 2:01.4. North won the race by 3.2 seconds.

"McClew really put in one of the best efforts I've seen in a long time," Lang said. "We were down by quite a bit, and she put us way in front," Lang said.

Freshman Traci Rose was second in the 200 meters with a time of 22.2 seconds. Other North girls who placed included Rachel Coleman, fourth in the 100 meters (14.21 seconds), Debbie Brandt, second in the discus (98-7) and Byrd in the high jump (4-8).

"I was really impressed by Traci's performance. Her time was a pretty good time for her first race. I'm hoping her and Paula will help us in the sprint events," Lang said.

North's boys are at the Belleville East Relays Saturday at 11 a.m. Next Tuesday, both the boys and girls run against Cahokia in a dual meet at North.

DESPERATE DIVE. Phil Dudak, Granite City South's second baseman, makes a diving stab at a bloop single which landed just out of

his reach. Even though that hit made it in, the Warriors won the doubleheader from Freeport 6-5 and 12-5.

ONE OF THE FIRST. The Strikers and the Raiders, shown here in a Wednesday game in the 14 and Under League, were two of the first teams to play on the Granite City Park District's indoor soccer facility. The facility, located in the Park District's Ice Rink, opened Tuesday evening.

Sports Briefs

Rutkowski in soccer tournament

The Rutkowski Construction under 16 girls' soccer team of Granite City will be one of eight teams playing in the Busch Gardens Youth Invitational soccer tournament April 1-3.

The girls' tournament will be played at Penton City Park, and all championship matches will be played at Penton City Park Sunday.

The tournament begins at 8 a.m. Friday in games in all seven divisions. Other divisions include under 12, under 13, under 14, under 15 and under 19 for boys. All teams will play at least three games in the tournament.

The teams in the under 16 girls' division will be put into

two groups, and the winners of the two groups will play for the championship.

On Friday, Rutkowski plays Russell Select of St. Louis at 1 p.m. On Saturday, Rutkowski plays the Cincinnati, Ohio, Cardinals at 9:45 a.m. and the Lee Summit Tigerettes of Kansas City, Mo., at 2:30 p.m. The championship game is at 1 p.m. Sunday.

The tournament is sanctioned by the United States Soccer Federation and the United States Youth Soccer Association.

BMX bike races start Saturday

The BMX bicycle racing season begins Saturday at 1 p.m. at the Collinsville BMX

track on 515 Johnson Hill Rd., just off the Collinsville Beltline.

Registration for the races is from 11 a.m. to 12:30 p.m. Races are held for 3-5 year olds in the Big Wheel competition, and BMX races will be held for children six and over in beginning, novice and expert classes.

Graham named top coach in Class A

Madison basketball Coach Larry Graham and Brussels basketball Coach Russ Ward were named Class A Coaches of the Year by the Illinois Basketball Coaches' Association, District 19.

Even though Madison did not have one of its best teams talent-wise, Graham led Madison to a 26-5 record before bowing to Class A champion Lawrenceville in the super-sectionals. Ward led Brussels, with an enrollment of 117, to a super-sectional berth.

East St. Louis Lincoln Coach Bennie Lewis and Cahokia Coach Ken McBride were co-winners of the Class AA award.

South's Sarich playing for SIU-E Cougars

EDWARDSVILLE — Southern Illinois University at Edwardsville's softball team has opened the season with a 14-4 record, and Granite City's Lisa Sarich has played a part in the Cougars' success.

Sarich, a sophomore, is one of three Cougars alternating at first base this season. The other two are junior Kathy Byrne of Cahokia and sophomore Cathy Sondag of Casey.

The 1980 graduate of Granite City South has played in 10 games so far and has a .287 average (4 of 15) and has yet to make an error at first base this season.

Sportsmen's licenses expire today

SPRINGFIELD — All Illinois fishing, hunting and combination sportsmen's licenses issued in 1982 will expire on March 31, officials of the state conservation department have reminded.

On the same date, all remaining issues of the 1981 Illinois migratory waterfowl stamps and the 1981 state salmon stamps will be destroyed.

Collectors wanting copies of either of the expired stamps, which bear copies of prize-winning paintings, can still obtain them from the department, either by mail if postmarked before midnight, March 30, or by going to the department's license office at Room 210, Lincoln Tower Plaza, Springfield, through 4:30

p.m. on March 31.

Jim Oliver, DOC license and permit supervisor, said vendors should have supplies of the 1983 hunting, fishing and combination licenses by mid-March.

The state's resident hunting license and the resident fishing license cost \$7.50 each. The combination license, which is good for both hunting and

fishing, sells for \$13.75.

The migratory waterfowl stamps, popularly known as the duck stamp, is priced at \$5.50, while the salmon stamp sells for \$2.50. The 1981 duck stamp featured a painting of two American wigwags, and the 1981 salmon stamp carried a painting of a brook trout.

Cards of Thanks 31
THE FAMILY OF BOBBY R. GAFFORD wish to express their appreciation for the help and support shown in the loss of our dear husband, father and grandfather. A special thanks to Mercer Mortuary and the pallbearers. A special thanks to the ladies of Second Baptist and Grace Baptist churches for the food. Thank you also to my neighbors and everyone who sent flowers and food. — Mrs. Bobby Gafford and family. 31 31

WE WISH to thank our friends, relatives and neighbors for their acts of kindness during the recent loss of our loved one, STEPHANIE FANNIE RYDYGK for their flowers, cards, masses, memories and cards. We would also like to thank the church choir, Father Thomas Succarotte, Father Vitaly Ostchulu of Salem, Mass., Mary Cromer, Lahey Funeral Home and all purchasers. — Paul Rydygk Family. 31 31

IN LOVING memory of REV. S. F. PETERS, April 2, 1969. Fourteen years have passed since that sad day. When one I loved was called away. God took him home. It was his will, within my heart, he liveth still. — Sadly missed by wife. 32 31

IN LOVING memory of our dear mother, FRANCES ROZYCKE, April 2, 1969. Sadly missed, along with every day, quietly remembered every day, no longer in our lives to share, but in our hearts you are always there. — Sadly missed by Children and Family. 32 31

IN MEMORY of PEGGY (PRICKER) FEANEY, March 29, 1977. Her memory is as dear today, as the hour of God took you away. — Daughter, Ann and Blanton Feaney. 32 31

Park plans 5 excursions

One last time for Brandon Heights

Brandon Heights residents will have a final opportunity to discuss the possible resolution of a three-year-old dispute with the Madison County Sanitary Sewers Special Service Area One committee, Monday, April 4, at 7 p.m.

The special meeting between residents and the committee will be at the service area office.

The service area has received approval from the Illinois Environmental Protection Agency to award a contract to O. T. Dunlap of Edwardsville for placement of the disputed sewer line along the south edge of Old Alton Road adjacent to Molean Acres.

The service area had been waiting on IEPA approval. The project must be begun by April 15, so any settlement of the dispute will have to be reached at the special meeting or construction of the project will begin immediately, service area officials maintain.

TAKE BOAT MOTOR

Melvin E. Tripp, 3019 Decker Ave., reported this week that a 7½-horsepower Mercury outboard motor valued at \$350 was taken from a boat stored in the rear yard at his home.

Division of Federal Revenue Sharing relating to Allocation of said fund, and other miscellaneous business.

Dated at Madison, Illinois, this 30th day of March 1983.
William J. McGarran
Town Clerk

No. 64 33 3 31

NOTICE TO ALL INTERESTED CITIZENS

A public hearing will be held on Thursday, April 14, 1983, at 6:30 p.m. in the City of Granite City Council Chambers.

The purpose of this hearing is to solicit citizen input regarding a possible Urban Development Action Grant (UDAG) application which would assist in the renovation of the A.O. Smith facility located in Granite City. Also to be discussed are employment opportunities this project will present. The public is invited to attend and make comments.

No. 65 33 3 31

PUBLIC NOTICE

Notice is hereby given to the legal voters, residents of the Town of Nameoki in the County of Madison and State of Illinois, that the ANNUAL TOWN MEETING of said Town will take place on Tuesday, April 12th, 1983 at the hour of 7:00 P.M. at Nameoki Township Garage, 2891 Rock Road, Granite City, Illinois. For the transaction of the miscellaneous business of the said town; and after a Moderator having been elected, will proceed to hear and consider reports of officers, and decide on such measures as may be presented in law, come before the meeting.

D. LEE RIDGEWAY
TOWNSHIP CLERK

No. 63 33 3 31

Reservations still are being accepted for the Granite City Park's first trip of the 1983 excursion season to the bluegrass horse racing country near Lexington, Ky., scheduled May 30, 31 and 22.

Five trips are planned for the coming months, including bus tours to Eureka Spring, Ark., the Grand Ole Opry in Nashville, Tenn., the Amana Colonies in Iowa and Silver Dollar City in Missouri.

Reservations may be made now for the Kentucky trip during business hours, Monday through Friday, at the park district office in Wilson Park. Cost of the weekend excursion will be determined by the number of persons staying in each room and varies from \$128.55 for a single to \$71.87 for four to a room.

The price includes bus transportation, room for two nights, a buffet meal and a race at Red Mile Harness Race Track, a tour of the Headley-Whitney Museum, and entry to the Kentucky Horse Park, the first state park named in honor of the horse.

The only additional expense will be meals not included in the total package. At the Red Mile track, a race will be named in honor of the park district group and the local trades photograph will be taken in the "Winner's Circle."

Proof of residence must be presented for each person making the trip and one person cannot pay for more than four people. All fees must be paid at the time reservations are made, park district officials said.

COURSE STUDIES

CONTROL OF LIFE

A workshop which will help people gain better control over their lives will be offered by the Office of Continuing Education at Southern Illinois University at Edwardsville.

The class will meet each Monday, April 4, through May 9, from 7 until 9 p.m. in Room 0302 of the Peck Classroom Building.

Students in the course will learn to develop skills that will help them keep balance in their lives and become effective problem solvers. The class will provide information that will enable students to identify key areas for improvement and develop specific strength-building plans in these areas.

The course is based on Dr. William Glasser's Reality Therapy model.

The fee for the course is \$35. Interested persons may register through the mail or the first session.

Instructor for the course is Patricia Goehle, associate professor of speech communication at the University.

For more information, interested persons may call the Office of Continuing Education at SIUE, 1-692-3210.

The bus will leave the Wilson Park ice rink at 7 a.m. Friday, May 20, returning here about 6 p.m. Sunday, May 22.

Preliminary plans are being finalized for the remaining trips, it was noted.

On June 24, 25 and 26, the park district will sponsor a visit to the world-famous Passion Play in Eureka Springs, Ark.

The annual excursion to the "Country Music Capital of the World" - Nashville, Tenn., and visits to the Grand Ole Opry and Opryland are scheduled July 22, 23 and 24.

The district also will spotlight a tour of the five Colonies of Amana in Iowa and a visit to Cedar Rapids, Iowa.

Silver Dollar City is once again on the park district's agenda in 1983, with a trip to Branson, Mo., and visits to the popular crafts festival there. A date for the latter excursion has not yet been announced.

Arraign four in theft ring case

Four men from the Caseyville and Collinsville areas have been arraigned in St. Clair County Court on 15-felony theft-related charges. The charges stemmed from a lengthy Illinois State Police theft ring investigation by Troopers Dennis A. Bauers and Leo C. Sprankle of Granite City, Vehicle Identification Bureau officers at District 11 Collinsville.

Arrested on March 18, by Troopers Sprankle, Bauers and Corporal Donald Zeigler of the District 12 VIB Section, was Billy Chessor, 48, of Collinsville. Chessor was charged with seven counts of theft over \$500 relating to seven stolen vehicles located on his property in Caseyville Township on Nov. 1. Chessor currently is out on bond on these charges and a theft charge relating to a stolen backhoe

that was filed by Secretary of State Investigator Sprankle in February. Chessor is the owner of Watt's Excavating in Collinsville.

Also, William Frank Dunham, 46, and Franklin J. Dunham, 19, both of Caseyville, as well as Harold Jenkins, 57, of Caseyville, were arraigned on a total of 15 felony theft and auto-related offenses stemming from the same theft ring investigation. Police have, thus far, recovered five Case backhoes, one Ford farm tractor, numerous Ford four-wheel-drive pickups, as well as several other cars and motor vehicle parts. The value of the recovered vehicles thus far is in excess of \$217,000.

The case still is under investigation and police expect to make several more arrests.

Seven drivers' licenses suspend in DUI cases

Seven Quad-City area residents have had their driver's licenses revoked for alcohol-related driving convictions, according to Illinois Secretary of State Jim Edgar.

Revoked for being convicted under the influence (DUI) of alcohol or drugs were the licenses of: Charles S. Rhoads, 19, of 2510 Anglin Drive; Michael T. Guffey, 27, of 2525 Northbridge; Charles H. Jaycox, 30, of 4221 Marigold Drive, Foxton Beach; William L.

SIUE OFFERS FREE RIDES TO EVENTS

In an effort to make St. Louis entertainment activities more economical and accessible to students attending Southern Illinois University at Edwardsville, the Student Program Board will provide free transportation to various events during the spring quarter.

To be eligible for free transportation, students must reserve their tickets for the events at the University Center's Union Station. Events scheduled for spring quarter to which free transportation will be provided include:

—St. Louis Cardinal baseball, Tuesday, April 5. Deadline for reservations is Monday, April 4. Departure time is 11 a.m.

—Bingo at Danny Bob's Country Western Lounge, Tuesday, April 19.

—Anheuser-Busch Brewery tour, Saturday, May 14. Deadline for reservations is Friday, May 13. Departure time is 10:30 a.m.

—St. Louis Zoo, Sunday, May 29. Reservation deadline is Friday, May 27. Departure time is 10:30 a.m.

All trips depart from the metered parking lot behind the Randleman Building at SIUE. To ensure scheduling of adequate transportation facilities, reservations must be made in advance. Since spaces on the trips are limited, Union Station personnel suggest that participants make their reservations early.

Additional information may be obtained by contacting the Union Station at 1-692-2520 or the Student Program Board at 1-692-2517.

Announce trips to '83 Cardinal games

The Granite City Park District today announced dates for special trips to the World Champion St. Louis Cardinals' 1983 baseball games.

Tickets have been purchased for three "Ladies Day - Senior Citizen" games: Wednesday, May 18, at 12:35 p.m. vs. Houston Astros; Wednesday, June 15, at 7:35 p.m. vs. Philadelphia Phillies; and Wednesday, July 27, at 12:35 p.m. vs. San Francisco Giants.

All senior citizens planning to attend must be 65 years of age, or older, park officers stressed. Granite City Park District residents will have first choice of tickets, they added.

Buses to Busch Stadium, St. Louis, will leave from the Wilson Park ice rink about 90 minutes prior to game time. Additional information may be obtained by contacting the Wilson Park office at 877-3059.

SHED BURGLARY

Bolts were removed from a shed door to get inside and steal various mechanic's tools. It was reported during the weekend by Harold McClanahan, 2900 Circle Drive.
